

HERRON HIGH SCHOOL

U.S. News and World Report Ranking

Herron High School has once again been ranked in the top high schools in Indiana by the U.S. News and World Report. We are the NUMBER ONE high school in Indianapolis!

We have also been ranked in the top 1% of high schools in the state and in the top 2% of ALL high schools NATIONWIDE.

The ranking is based on outcomes in math, reading, and science state assessments, qualifying scores in an array of college-level exams (including AP exams), and graduation rates.

What's even more important than any statistic or award are the stories and successes of our scholars. One of our current HHS parents shares, "My son is a member of the class of 2024. He loves Herron High School, and, despite the challenging course work, I have never seen him so happy. He is developing critical reasoning, writing, and communication skills that will serve him well in college. I highly recommend HHS for any student who is intellectually curious and creative."

HCS Movie Night

Thank you to everyone who came out in support of our Herron Classical Schools Movie Night (sponsored by Core Redevelopment) last night! It was an evening of fun, food, music, an awesome movie, and an amazing show of support from our community.
