

ARP-ESSER Application: Part 2 - ARP Act**Introduction/Instructions - Summary & Background**

Summary & Background

WHITE PLAINS CITY SD

662200010000

SUMMARY & BACKGROUND

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

ARP-ESSER Application – Part 1: The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.

ARP-ESSER Application – Part 2: The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

Project Period

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

Project Number

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

Submission Deadline

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Summary & Background

APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS

The federal ARP statute requires SEAs to reserve:

not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

ARP-ESSER Application: Part 2 - ARP ActIntroduction/Instructions - Submission Instructions

Submission Instructions

WHITE PLAINS CITY SD

662200010000

Directions for Submitting the Application:

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

Office of ESSA-Funded Programs - Rm 320 EB

RE: ARP-ESSER Application – Part 2

New York State Education Department

89 Washington Avenue

Albany, NY 12234.

Deadline for Submitting the Applications:

The *ARP-ESSER Application – Part 2* is due by August 31, 2021.

LEA ARP-ESSER Plan - ARP-ESSER Intent to Apply

ARP-ESSER LEA Base 90% Allocation - Intent to Apply

WHITE PLAINS CITY SD

662200010000

1. Does the LEA intend to apply for American Rescue Plan (ARP) Act - Elementary and Secondary School Emergency Relief (ESSER) LEA Base 90% funding?

Yes, the LEA intends to apply for Elementary and Secondary School Emergency Relief (ESSER) funding.

2. Please provide contact information for the LEA Business Official and Board President. Please confirm that each individual has reviewed and approved of the application, including all plan descriptions and use of funds.

| | Name | Email Address | Date of Final Review/ Approval |
|-----------------------|-----------------------|---------------------------------|--------------------------------|
| LEA Business Official | Dr. Ann Vaccaro-Teich | annvaccaroteich@wpcsd.k12.ny.us | 9/3/21 |
| LEA Board President | Rosemarie Eller | rosemarieeller@wpcsd.k12.ny.us | 8/31/21 |

ARP-ESSER Allocation - Construction-Related Costs

3. Does the LEA intend to use American Rescue Plan (ARP) Act - Elementary and Secondary School Emergency Relief (ESSER) LEA Base 90% funding for construction-related expenditures?

Yes, the LEA does intend to use American Rescue Plan (ARP) Act - Elementary and Secondary School Emergency Relief (ESSER) funding for construction-related expenditures.

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information****ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination**

WHITE PLAINS CITY SD

662200010000

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(c) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221c-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.

The White Plains Public Schools formed an American Rescue Plan Committee that held several meetings beginning on June 1, 2021. The Committee consisted of 49 members representing a cross section of various stakeholder roles within the district and community. Represented on the Committee were district level administration, building level administration, members of the Board of Education, district coordinators, district teachers, staff from Facilities, Security, Transportation, Food Service, Technology and the Grants Dept, our Head Nurse, our District Physician, parents, students, members of the PTA, members of various collective bargaining units, community members, representatives from local community organizations and a representative from the White Plains Police Department.

The Committee meetings were run via Zoom. Our Superintendent, Dr. Joseph Ricca, facilitated these meetings. He explained the intent and various allowable uses of the ARP funding, as well as the amount the district could expect. Many of the Committee members contributed ideas, offered suggestions and asked questions. Once it seemed like consensus may be in sight for a particular item, Dr. Ricca sent out a survey asking participants using a 1-3 rating scale if the particular item could be agreed upon (put in the budget), if the participant still had questions before they felt comfortable enough to log a rating or if the participant did not agree that the item should be put in the budget. At times, 100% agreement could not be gained and the discussion continued, aspects of the idea were modified, etc until agreement was reached. Dr. Ricca also advised all members that they could feel free to contact him separately and then he could bring any ideas, suggestions, questions or concerns back to the group, but allow the person to remain anonymous.

It was through this collaborative and thoughtful process that the district was able to develop our Plan for ARP use as well as the budget. This Committee will continue to engage stakeholders using the same processes by meeting regularly, an average of twice per month, to discuss the implementation of all initiatives, programs and projects funded through ARP.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

2. In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.

<https://www.whiteplainspublicschools.org/cms/lib/NY01000029/Centricity/Domain/56/Federal%20and%20State%20Funding%20Plan%202021-22%20Final.pdf>

ARP-ESSER LEA Base 90% Allocation - Program Information

3. In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.

The most recent guidance from the CDC, dated August 5, 2021, indicates that improving ventilation is an important COVID-19 prevention strategy that can reduce the number of virus particles in the air. This is especially true when combined with other mitigation strategies including frequent hand washing, mask wearing and social distancing. Bringing fresh outdoor air into a building helps keep virus particles from concentrating inside. This can be done by opening multiple doors and windows, using child-safe fans to increase the effectiveness of open windows, and making changes to the HVAC or air filtration systems.

The district is choosing to implement prevention and mitigation strategies that are consistent with CDC guidance on safely reopening schools. The district is funding a capital project across three school buildings. The capital project consists of installing new unit ventilators that will provide filtration, ventilation, temperature, and humidity control in 150 classrooms. In each classroom the steam or hot water unit ventilator will be replaced with a new unit ventilator with air conditioning. In addition to the equipment and labor involved with each of the three building projects, we have also allocated construction management costs, architect/engineering costs, legal fees and project filing fees.

We have also allocated funding to purchase PPE for use in all 9 school buildings this year. This is consistent with CDC guidance on the continued use of mask wearing for students and staff in k-12 school buildings.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

4. In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.

Students will be chosen for participation in the Extended Day Accelerated Learning Programs based on academic progress (or lack thereof) in the prior school year. Lack of progress will be measured using report card grades, internal assessments, teacher feedback and attendance. It is the intent that any student needing this assistance and who can adhere to regular attendance in the program, can participate. If more students are in need of the program then there are seats (as they are currently budgeted--for example 12 teachers per elementary school x maximum of 12 students per section = 144 students), then the intent will be that the district will fund additional sections from other funding sources.

Progress will be monitored by the Facilitator of each program (along with the Building Principal and Asst Supt for Curriculum & Instruction,), who will monitor report card data, internal assessments, attendance and teacher/parent/student feedback to ensure that this planned support is working for each individual student.

5. In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.

The White Plains Public Schools plans to use its 20% reserve to address the impact on lost instructional time through the implementation of various interventions and supports.

The district will operate an Extended Day Accelerated Learning Program in all five elementary schools, 2 middle schools and the high school. Each program will start in the Fall of 2021 and operate a minimum of three days per week with a minimum of 6 and a maximum of 12 teachers per program. We will also operate a virtual Quarantine Instructional Continuity Program for students in any of our nonc buildings to engage in if/when they are quarantined at any time during the school year. Supplies, curriculum materials, consultants to provide enrichment opportunities and transportation home (as appropriate) are all components of these programs and funded in our ARP budget.

We will operate three Bridge Programs for summer enrichment during the summer of 2022--one for 5th to 6th grade, one from 6th to 7th grade and one from 8th to 9th grade. The intent of the Bridge Programs is to make the transition from each grade level (and school building) smoother for students. Each program will be one week in length and transportation to and from the program is provided.

We are also contracting with two organizations to provide services--Kurtz Psychological to operate a district program to work with children of all ages who are experiencing academic, emotional, psychological or behavioral issues and Morningside Center to facilitate a coaching/training program for teachers, admin and staff focusing on providing social/emotional support and restorative practices to students.

6. In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.

The district will spend the remaining funds in three other ways. We will fund the cost to provide private Health Aides to work in six of our school buildings for five hours each day of the school year. By funding Health Aides, it allows the school nurse in each building to remain available for students or staff on a constant basis while the Health Aide is able to tend to and supervise any sick or possibly COVID-19 positive students or staff in a separate area of the nurses suite. The Health Aides will also work on contract tracing when a positive COVID-19 case appears in their building. Next, we have allocated funding for each of our 9 school buildings to purchase additional PPE for use during the second half of the school year. Lastly, the district is offering a Premium Pay Incentive to every employee (over 1,100) who responded to the COVID 19 pandemic last year either by working from home or working on-site. Our employees overwhelmingly did a fantastic job for our district and students, while also in many cases, caring for their own families in new ways. The Premium pay will be in the form of \$500 for each employee.

WHITE PLAINS CITY SD

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

7. In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

Our capital project to install new unit ventilators that will provide filtration, ventilation, temperature, and humidity control in 150 classrooms will respond to the overall health needs of our students by allowing them to continually breath filtered air in the classroom. Providing a large scale improvement such as this has the immediate benefit of improving student overall health, which in turn can increase many other areas of wellness, including increased academic performance.

Our work with Kurtz Psychological and Morningside is going to directly address the mental and social/emotional health of our students using restorative practices and research based methods for addressing academic, emotional, psychological and behavioral issues in children. This work will particularly impact the population of students most adversely effected by the COVID-19 pandemic which include low income, homeless, and students of color.

Our extensive funding of Accelerated Learning Programs will respond to the immediate loss of learning experienced by students during the pandemic. All students in need will be invited to participate and the programs will consist of a wide range of disproportionately impacted students including ELL's, students with disabilities, students of color, low income and foster/homeless students.

WHITE PLAINS CITY SD

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

ARP-ESSER Return to In-Person Instruction

WHITE PLAINS CITY SD

662200010000

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).

1. In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.

<https://www.whiteplainspublicschools.org/domain/2451>

WHITE PLAINS CITY SD

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

2. An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.

In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) its plan for in-person instruction, including a description of how public comment will be collected.

The district has a Reopening Committee that was established last Spring. One of the major tasks of the Reopening Committee was to put together Reopening Guidance for the district. This Reopening Guidance has been updated several times since its inception. The Reopening Committee continues to meet via Zoom approximately every 2 weeks. It is our intent to continue to update the Reopening Guidance as needed, but no less frequently than every 6 months, through the ongoing efforts of the Reopening Committee. Each time the Reopening Guidance has been updated, it has gone our for public comment before any changes were finalized. These "public comments" are collected in a number of ways including via the Reopening Committee meetings, Board of Education meetings, and through our Facebook Live Q & A sessions. Each time there is a potential change to our Reopening Guidance, a K-12 email and text alert is sent to staff, parents and community members advising them to look on our Facebook Live page for details regarding the potential changes, printed in various languages. This will be the continued process going forward for future updates.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Construction-Related Costs

ARP-ESSER LEA Base 90% Allocation - Construction-Related Costs

WHITE PLAINS CITY SD

662200010000

PLEASE NOTE:

The Office of Facilities Planning, in collaboration with NYSED’s Chief Financial Officer and the Office of ESSA-Funded Programs, is developing guidance regarding capital construction projects based on the United States Department of Education (USDE) recently issued FAQs for this federal program. The Use of Funds FAQ (released May 26, 2021) may be of particular interest, since it discusses construction and combination of funds. Links to the federal program website are below:

<https://oese.ed.gov/offices/american-rescue-plan/american-rescue-plan-elementary-and-secondary-school-emergency-relief/>
 ESSER.GEER_FAQs_5.26.21_745AM_FINALb0cd6833f6f46e03ba2d97d30aff953260028045f9ef3b18ea602db4b32b1d99

Local Educational Agencies (LEAs) which intend to do federally funded work using ARP-ESSER funds must first file FS-10s and other documents as required by the Office of ESSA-Funded Programs. If a project would normally require a building permit if supported by state/local funds, it must also have a building permit if supported by federal funds (or a combination of funding streams). Facilities Planning forms are under development at this time.

1. What is the amount of funds that the LEA plans to use for construction related projects?

6,845,113

2. In the space provided below, please described the planned construction activities and costs.

The planned construction activities that are part of our capital project are as follows:
 Installation of new unit ventilators that will provide filtration, ventilation, temperature, and humidity control in 150 classrooms. In each classroom the steam or hot water unit ventilator will be replaced with a new unit ventilator with air conditioning. In addition to the equipment and labor involved with each of the three building projects, we have also allocated construction management costs, architect/engineering costs, legal fees and project filing fees. The total amount of these activities is \$6,946,453

3. Will the planned construction impact and/or effect any district, site, building, structure, or object that is: Included in the National Register of Historic Places; or Eligible under criteria established by the Secretary of Interior for inclusion in the National Register of Historic Places?

No, the planned construction will not impact and/or effect any district, site, building, structure, or object that is: Included in the National Register of Historic Places, or Eligible under criteria established by the Secretary of Interior for inclusion in the National Register of Historic Places.

ARP-ESSER - Construction-Related ASSURANCES

4. The LEA assures it will have or obtain a full title or other interest in the site, including right of access, that is sufficient to insure the grantee's undisturbed use and possession of the facilities for 50 years or the useful life of the facilities, whichever is longer. § 75.603 (Authority: 20 U.S.C. 1221e-3 and 3474)

YES, the LEA provides the above assurance.

5. The LEA assures it will ensure that sufficient funds are available to meet any non-Federal share of the cost of constructing the facility. § 75.604

YES, the LEA provides the above assurance.

6. The LEA assures work will begin on construction within a reasonable time after the grant for the construction is made. § 75.605 (Authority: 20 U.S.C. 1221e-3 and 3474)

YES, the LEA provides the above assurance.

7. The LEA assures the construction will be completed within a reasonable time and the LEA shall complete the construction in accordance with the application and approved drawings and specifications. § 75.606

YES, the LEA provides the above assurance.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Construction-Related Costs

8. The LEA assures that the construction is functional; economical; and not elaborate in design or extravagant in the use of materials, compared with facilities of a similar type constructed in the State or other applicable geographic area. § 75.607. Further, the LEA assures that it shall, in developing plans for the facilities, consider excellence of architecture and design and inclusion of works of art. The grantee may not spend more than one percent of the cost of the project on inclusion of works of art. § 75.607 Authority: 20 U.S.C. 1221e-3 and 3474)

YES, the LEA provides the above assurance.
9. In planning for and designing facilities, the LEA assures it shall observe the standards under the Occupational Safety and Health Act of 1970 (Pub. L. 91-576) (See 36 CFR part 1910); and State and local codes, to the extent that they are more stringent. § 75.609 Further, the LEA assures it will submit an application for a Building Permit to NYSED Office of Facilities Planning for review and approval prior to construction.

YES, the LEA provides the above assurance.
10. The LEA assures that it shall comply with the Federal regulations on access by the handicapped that apply to construction and alteration of facilities. These regulations are:
 - For residential facilities - 24 CFR part 40; and
 - For non-residential facilities - 41 CFR subpart 101-19.6. § 75.610

YES, the LEA provides the above assurance.
11. The LEA assures that, in planning the construction, the LEA shall, in accordance with the provisions of Executive Order 11988 of February 10, 1978 (43 FR 6030) and rules and regulations that may be issued by the Secretary to carry out those provisions: Evaluate flood hazards in connection with the construction; and as far as practicable, avoid uneconomic, hazardous, or unnecessary use of flood plains in connection with the construction. § 75.611

YES, the LEA provides the above assurance.
12. The LEA assures that it shall maintain competent architectural engineering supervision and inspection at the construction site to insure that the work conforms to the approved drawings and specifications. § 75.612

YES, the LEA provides the above assurance.
13. The LEA assures that it will comply with the regulations on relocation assistance and real property acquisition in 34 CFR part 15. § 75.613

YES, the LEA provides the above assurance.
14. The LEA assures that, when construction is completed, sufficient funds will be available for effective operation and maintenance of the facilities. § 75.614

YES, the LEA provides the above assurance.
15. The LEA assures that it shall operate and maintain the facilities in accordance with applicable Federal, State, and local requirements. § 75.615

YES, the LEA provides the above assurance.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Construction-Related Costs

16. The LEA assures that, to the extent feasible, it shall design and construct facilities to maximize the efficient use of energy. § 75.616 Further, the LEA shall comply with ASHRAE standards in designing and constructing facilities built with project funds. § 75.616 The following standards of the American Society of Heating, Refrigerating, and Air Conditioning Engineers (ASHRAE) are incorporated by reference in this section:

- ASHRAE-90 A-1980 (Sections 1-9).
- ASHRAE-90 B-1975 (Sections 10-11).
- ASHRAE-90 C-1977 (Section 12)

Incorporation by reference of these provisions has been approved by the Director of the Office of the Federal Register pursuant to the Director's authority under 5 U.S.C. 552 (a) and 1 CFR part 51. The incorporated document is on file at the Department of Education, Grants and Contracts Service, rm. 3636 ROB-3, 400 Maryland Avenue, SW., Washington, DC 20202-4700 or at the National Archives and Records Administration (NARA). For information on the availability of this material at NARA, call 202-741-6030, or go to:

http://www.archives.gov/federal_register/code_of_federal_regulations/ibr_locations.html. These standards may be obtained from the publication sales department at the American Society of Heating, Refrigerating, and Air Conditioning Engineers, Inc., 1791 Tullie Circle, NE., Atlanta, Georgia 30329. § 75.616

YES, the LEA provides the above assurance.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Allocation - Budget

ARP-ESSER LEA Base 90% Allocation - Budget

PLEASE NOTE - the FS-10 and Budget Narrative are used to provide NYSED with a specific itemization of proposed project expenditures and to provide NYSED and the Office of the State Comptroller with the necessary documentation upon which payments can be based. FS-10s with missing quantities or unit costs, or with terms such "TBD" or "Varies" cannot be accepted on the FS-10 or Budget Narrative forms.

Please note: LEAs that have been allocated funds from the mandated SEA-Level Reserves in the 2021-22 enacted state budget will apply for those funds via a separate application process. NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. The sections below are only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

1. Please upload a completed and signed copy of the FS-10 Budget for the ARP-ESSER LEA Base 90% Funds.

ARP FINAL updated 11-4-21.pdf

2. Please upload a completed copy of the Budget Narrative for the ARP-ESSER LEA Base 90% Funds.

2021-22 ARP budget narrative 2.docx updated 11-1-21.docx

3. Please complete the following table by providing total proposed expenditures by budget code for funding in relation to the ARP-ESSER Application – Part 2. This information should match the Budget Summary page of the FS-10 budget form.

| | Total Funds (\$) |
|-----------------------------|------------------|
| 15 - Professional Salaries | 1,519,915 |
| 16 - Support Staff Salaries | 0 |
| 40 - Purchased Services | 7,344,183 |
| 45 - Supplies and Materials | 225,969 |
| 46 - Travel Expenses | 261,865 |
| 80 - Employee Benefits | 280,318 |
| 90 - Indirect Cost | 0 |
| 49 - BOCES Services | 0 |
| 30 - Minor Remodeling | 0 |
| 20 - Equipment | 170,000 |
| Totals: | 9,802,250 |
