PREAMBLE

This agreement is made and entered on June 26, 2018, by and between the Board of Education of the City of White Plains (hereinafter called the "Board") and the White Plains Substitute Teachers Association (hereinafter called the "Association") pursuant to Article 14 of the Civil Service Law. This Agreement is effective July 1, 2018 through June 30, 2024.

ARTICLE I

RECOGNITION

- A. The Board recognizes the Association as the exclusive representative of all per diem substitute teachers who in the immediate preceding school year received the reasonable assurance of continuing employment referred to in Civil Service Law S 201.7(d) (excluding all other employees) for the purpose of Article 14 of Civil Service Law.

ARTICLE II

GRIEVANCE PROCEDURE

A. **Definitions**

1. A grievance is a claimed violation, misinterpretation or misapplication of an express provision of this Agreement.
2. An "Aggrieved Person" is the person or persons making the claim or the Association.

B. **Purpose**

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise affecting the interpretation or application of this Agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of procedure. When a complaint exists, the person or persons involved will take informal action to resolve the issue before instituting Level One of the grievance procedure.
2. Nothing herein contained shall be construed as limiting the right of any individual unit member having a grievance to discuss the matter informally with his/her immediate superior and having the grievance adjusted without intervention of the Association. However, in any case where the aggrieved person raises the grievance with someone other than his/her immediate superior or where the issue raised by the Association shall be given the opportunity to be present at such adjustment and to state its views.

C. **Procedure - Time Limits**

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the parties will make every effort to reduce the time limits set forth herein so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as practicable.
3. A grievance may be deemed to have been waived unless presented within sixty (60) school days after the event or events on which the grievance is based are known or should reasonably have been known by the aggrieved person. Failure at any step of this procedure to appeal the grievance to the next step within the specified time limits may be deemed to be acceptance of the decision rendered at that step.
4. The filing or pendency of any grievance under the provisions of this Article may in no way operate to impede, delay or interfere with the right of the Board to take the action complained of, subject to the final decision on the grievance.

D. **Procedure - Stages**

1. **Level One**

- a. If the complaint is not resolved informally prior to Level One procedure, the aggrieved person may file a written grievance with his/her principal or immediate superior on a form which will be developed by the Board and the Association and which will be available in all schools.
- b. Within five (5) school days after the presentation of the written grievance, the principal, immediate supervisor, or such person designated by either of them, will meet with the aggrieved person in an effort to resolve the grievance. The aggrieved person shall be present and may be represented by an Association Liaison representative or some other person as provided in Section E.2 of this Article. A decision shall be rendered on the grievance within five (5) school days after such meeting.

2. **Level Two**

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, or if a decision has not been rendered within five (5) school days after the meeting at Level One, he/she may file the grievance in writing with the Superintendent of Schools, with a copy to the President of the Association or his/her designee, within five (5) school days after the decision at Level One, or fifteen (15) school days after such meeting.

- b. Within five (5) school days after receipt of this written grievance by the Superintendent, he/she or his/her designee will meet with the aggrieved person in an effort to resolve it. The Superintendent or his/her designee will render a decision on the grievance within ten (10) school days after he/she first meets on the grievance.

3. **Level Three**

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within ten (10) school days after he/she has first met with the Superintendent, whichever is sooner, file the grievance in writing with the President of the Association or his/her designee with a copy to the Superintendent of Schools requesting the Association to submit his/her grievance to arbitration. If the Association determines that the grievance is meritorious and that submitting it to arbitration is in the best interests of the school system, it may submit the grievance to arbitration within ten (10) school days after receipt of a request by the aggrieved person by notifying the Superintendent to that effect.
- b. Within ten (10) school days after such written notice of submission to arbitration, the Board and the Association may agree upon a mutually acceptable arbitrator. If they are unable to agree on an arbitrator within such time, then either party may request the American Arbitration Association to designate a panel of arbitrators experienced in public employment relations with reference to schools from which in accordance with the rules then obtaining of the American Arbitration Association an arbitrator will be selected or designated.
- c. The arbitrator so selected will hold closed hearings promptly in the City of White Plains and will issue a written award not later than thirty (30) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs are submitted. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement; nor shall he/she have power to add to, subtract from, change or modify any provision of this Agreement. He/she shall be authorized only to interpret the existing provisions of this Agreement and apply them to the specific facts of the grievance. The decision of the arbitrator with respect to all grievances will be advisory only.
- d. The costs for the services of the arbitrator will be borne equally by the School District and the Association.

E. **Rights of Teachers to Representation**

- 1. No unit member, members of the Association or any other participant in a grievance procedure shall suffer reprisals in any way or suffer any professional disadvantage by reason of participation in the processing of any grievance.

2. An aggrieved person shall be present and may be represented at all stages of the grievance procedure by an official of his/her own choosing, except that he/she may not be represented by an official representative or an officer of any teacher organization other than the Association or its designated representative. When a unit member is not represented by the Association, the Association shall have the right to be present and to state its views at all levels of the grievance procedure.

F. **Miscellaneous**

1. If a grievance affects a group or class of unit members, and the Association is authorized in writing to bring the grievance on behalf of unit members from at least two different school buildings, the Association may submit such a grievance in writing to the Superintendent directly and the processing of such grievance will be commenced at Level Two. In such a group or class grievance, the Association shall have the same status as an aggrieved person.
2. The Association may institute a grievance in the event that either claims that a violation, misinterpretation or misapplication of any of the provisions of this Agreement directly affects them as distinguished from persons whom they may represent.
3. Decisions rendered at Levels One and Two of the grievance procedure shall be in writing setting forth the decision and the reasons therefore and shall be transmitted promptly to all persons concerned and to the Association. Decisions rendered at Level Three will be in accordance with the procedures set forth in Paragraph D, subdivision 3(c).
4. All documents, communications and records dealing with a grievance will be filed separately from the personnel files of the participants.
5. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents will be jointly prepared by the Board and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
6. If the Association is an "aggrieved person," the filing of copies of a grievance with the President of the Association shall be dispensed with.

ARTICLE III

ASSOCIATION RIGHTS

A. **Dues Deduction**

1. The District agrees to deduct from the compensation of unit members dues for the White Plains Substitute Teachers' Association and its affiliates as said unit members individually and voluntarily authorize the District to deduct, and to transmit the monies promptly to the Association. The unit member's request for such deduction shall be in writing.

2. The Association will certify to the Business Officer, in writing, the current rate of membership dues. Any change in the rate of membership dues will be given to the District, in writing, thirty (30) days prior to the effective date of such change.
3. Deductions referred to in paragraph A.1 above will be made each pay period at a rate determined by the membership of the Association. The daily dues will not exceed 3% of the daily rate for the appropriate title. The District will not be required to honor for any pay period any authorizations delivered to it later than thirty (30) days prior to the distribution of the payroll from which the deductions are to be made. In the instances mentioned in the above sentence, the District will deduct from the next pay period(s) monies to cover the substitute days not deducted previously.
4. With each payroll deduction check sent to the Association, the District will provide a list of those unit members for whom dues deduction has been made. If any unit member desires to have the District discontinue deductions, he/she must notify the District and the Association, in writing, by September 15 of any year.
5. The District will deduct the dues from each paycheck as provided in section A.3 above until the dues are fully paid.
6. The unit member waives all right and claims to any monies deducted and transmitted in accordance with these provisions and relieves the District and all of its officers from any liability therefore.
7. The Association will have reasonable release time, preferably during a preparation period, to meet with new unit members during their first ten days of employment at the White Plains City School District.
