

Durham Bus App

Options for finding your child's ID # to setup the Durham Bus App

OPTION 1: Log into the IC parent/student portal website (not the app)

- Log into <https://ic.wpcsd.k12.ny.us/campus/portal/wp.jsp>
- ID number will be in the top left
- Enter the ID number as you see it in the example below into the Durham Bus app (including any zeros that are in front of the numbers).

White Plains High School 18-19
Student Number: 000047105
Grade: 12

OPTION 2: Log into K12 Alerts messaging website

- Log into <https://www.k12alerts.com/bluecard/login/whiteplains/>
- Enter the ID number as you see it in the example below into the Durham Bus app (including any zeros that are in front of the numbers).

OPTION 3: Ask your child for their computer network username (not their password)

Username will be in one of these formats:

- a) Username: ab21111 The ID # is 21111 (5 digit ID number)
For the Durham School Bus App – you must add four zeros to the ID number.
In this example, the ID number would be 000021111
ONLY do this if the ID number is 5 Digits
The 5 digit ID numbers start with the number 2, 3 or 4
- b) Username: ab511111 The ID # is 511111 (6 digit ID number)
For the Durham School Bus App – enter the ID number exactly as is (you do not need to add zeros for 6 digit ID numbers).
The six digit ID numbers start with the number 5.

OPTION 4: Call your child's school and ask for your child's ID number
