

Going to Kindergarten!

By: Smartie Pants

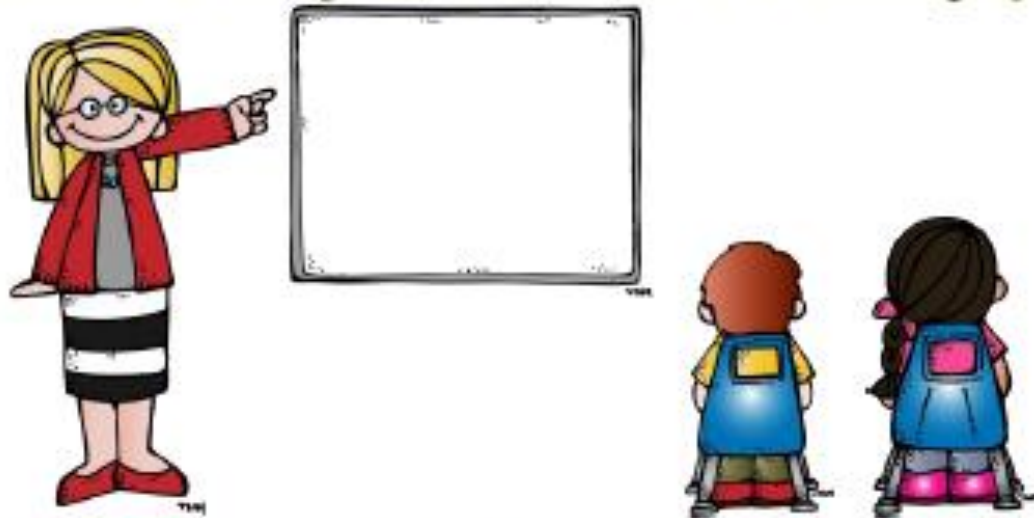

When summer is over, it will be time to
go to kindergarten!

I'm so excited to go to school
like a big kid!

I'm a little scared too. It is O.K.
to be a little scared. Everything
is new to you, but school will be
great!

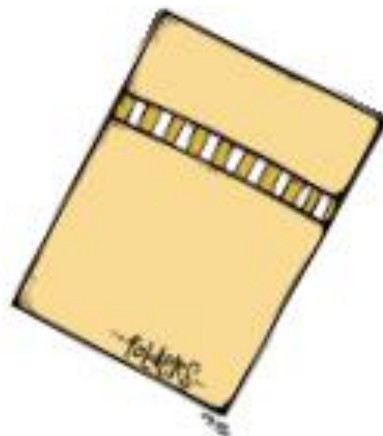

I get to meet my new teacher.
My teacher is ready to teach me
a lot of new skills in reading and
math!

I will have other teachers too!
They teach art, music, physical
education, and library/media.

I will also meet my new principal.
My principal is there to make
sure everyone is safe and happy.

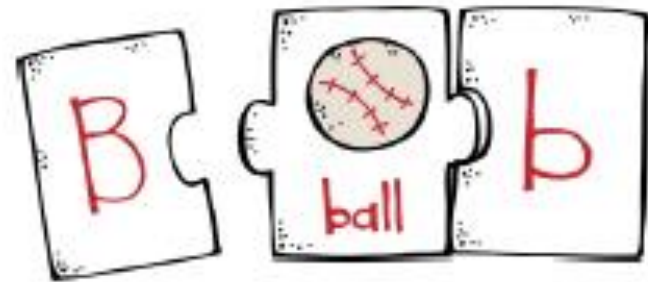

When I get to school, I will have
to unpack my book bag and give
any notes or papers to my
teacher.

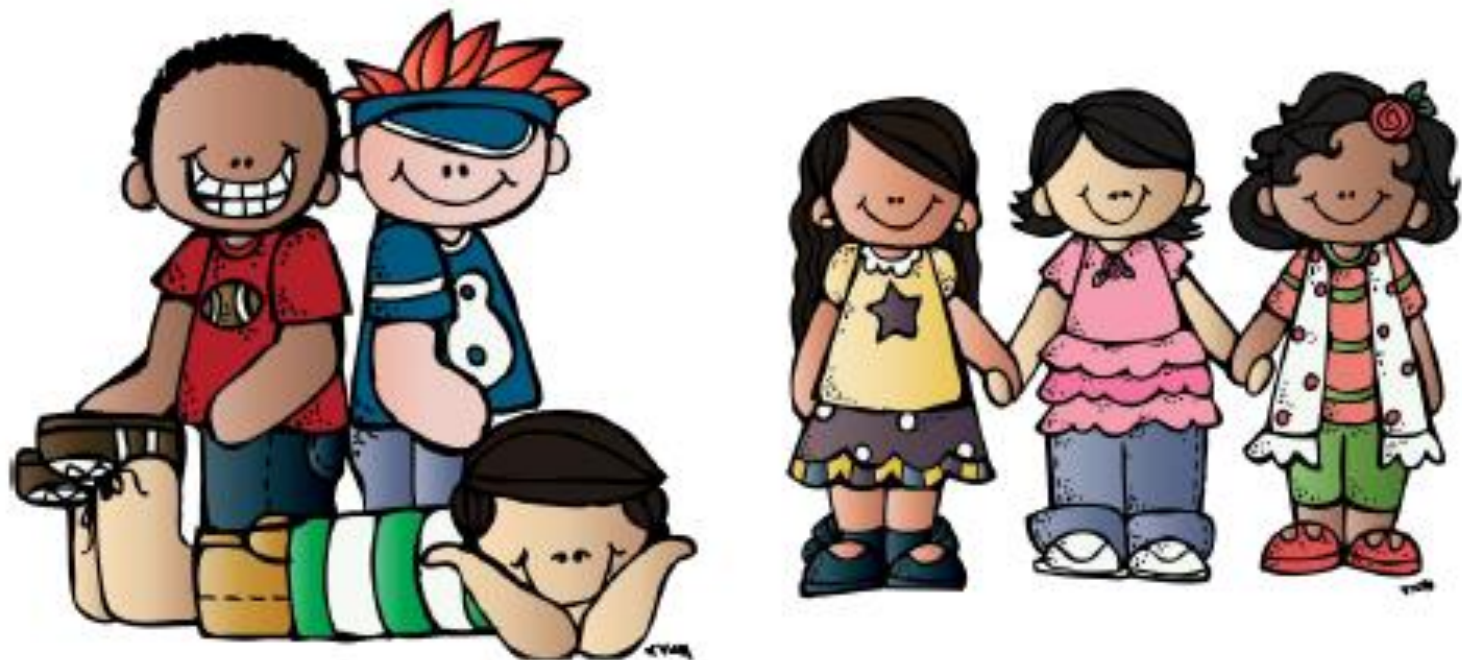

I will have to put my lunch in the
right spot or sign up for lunch
with my teacher.

I will have to sit in my seat and
follow my teacher's directions.

When I am at school, I will work
with my friends to learn letters
and numbers.

I will meet a lot of new friends
at school to play and work with.

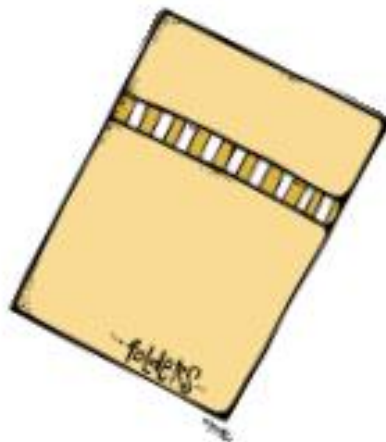

My teacher will also read me
many great stories.

In the middle of my day I get to
eat lunch with my friends.

I will also get to play with my
friends during recess.

At the end of the school day, I
will pack up my book bag to go
home.

My teacher will make sure I
know how I'm going home and
get me to the right place.

Then I will go home and tell my
family all about my fun day!

Kindergarten is going to be
GREAT!!
