

New Jersey System of Care Fact Sheet

The Children's System of Care (CSOC) helps youth up to age 21 with emotional, behavioral, developmental, substance and related health challenges. CSOC wraps services and supports that families need in a home and community-based, family-centered environment.

System of Care Process through Key Partners

STEP 1: PerformCare (Contracted System Administrator)

- * They are the **initial point of contact** for referring & coordinating System of Care services for youth ages 5-21 with behavioral and mental health needs.
- * They provide a statewide electronic medical record system, shared by all system partners.

For information and referrals, call 1-877-652-7624

* The following steps can not be done unless PerformCare is contacted first.

Step 2: Care Management Organization (CMO) Bergen's Promise, Inc.

- * Provides full face-to-face service planning for youth with moderate to intense needs.
- * Care Managers coordinate Child & Family Team (CFT) meetings, comprised of family and community members, mental health professionals, and school personnel.
- * Develop individualized service plans.
