RESOLVED, That the Lyndhurst Board of Education, does hereby recognize the services of local school board members throughout New Jersey as we join communities statewide in observing January 2016 as School Board Recognition Month; and be it further

RESOLVED, That the Lyndhurst Board of Education urges all New Jersey citizens to work with their local boards of education and public school staffs toward the improvement of our children's education.

3. BE IT RESOLVED, that the Lyndhurst Board of Education approve the Doctrine of Necessity.
4. BE IT RESOLVED, that the Lyndhurst Board of Education affirms the Superintendent's decision in HIB investigations for the reasons set forth in the Superintendent's decision to the students' parents, and directs the Business Administrator/Board Secretary to transmit a copy of the Board's decision to the affected students' parents.
5. BE IT RESOLVED, that the Lyndhurst Board of Education affirms the HIB Grade issued by the state of New Jersey to the district and its respective schools based on its annual review of Harassment, Intimidation, and Bullying preventative programs, approached and other initiatives and its annual review of Lyndhurst Board of Education Policies.

Beginning with the September 2011-2012 school year, our school district has conscientiously implemented the requirements found in the *Anti-Bullying Bill of Rights Act* by thoroughly examining and practicing the law's timelines and mandated initiatives, maintaining ongoing dialogue between administration and anti-bullying specialists, and providing and allowing for ongoing professional development for all key stakeholders.

Since the implementation of the *Anti-Bullying Bill of Rights Act*, our school district has made progress in addressing and improving harassment, intimidation and bullying as well as the school climate and culture by using a consistent language across district to discuss both challenges and successes, while also developing district-wide initiatives to educate the community.

While completing the Self-Assessment, we learned that our school district has demonstrated strengths in these areas:

- Identifying HIB personnel
- Adhering to the HIB investigative procedure
- Implementing curriculum and instruction on HIB and related information and skills

The Self-Assessment helped our school district to identify that the following areas can be approved on:

- Implementing HIB programs, approaches and other initiatives
- Providing training on the BOE-Approved HIB Policy

Our school district plans to further assess strengths and vulnerabilities for learning by conducting a school climate survey. We plan to closely examine the possibility of conducting the Rutgers Climate and Culture survey throughout our district. Our School Safety Teams have discussed it, and the Anti-Bullying Coordinators will be discussing more specifics with Central Office administration.

In order to promote a positive school climate, our school district is teaching students social-emotional learning skills by utilizing grade-level appropriate resources to introduce topics and learning goals. Anti-Bullying Specialists remain in communication with health teachers as well as all core-content area teachers collaborating regularly about how to implement these crucial skills into our classrooms.

During the upcoming year, our school district will be working towards and seeking your involvement in improving district-wide communication and practices by having more unification meetings among administration, anti-bullying coordinators and specialists, and planning district-wide events.

Our district 2014-2015 HIB Grade was **66 out of 78**. This is a **7-point increase** from our 2013-2014 HIB Grade.

### Superintendent's Report

- On behalf of the entire Community of Lyndhurst, I respectfully and appreciatively recognize the members of the Lyndhurst Board of Education, past and present, during this month of January 2016, designated as "New Jersey School Board Recognition Month". We should all, rightfully, recognize the contributions made by our local school board members. As one of 586 school boards in New Jersey, our 9 member BOE sets policies and oversees operations for our pre-kindergarten through 12 grade school program. Our members, individually and as a collective body, are committed to working with Lyndhurst Public School educators in a unity of purpose to achieve a degree of excellence in every aspect of our educational program. Together, along with the district administrative team, the board is responsible to uphold the highest standards of ethical leadership and decision-making in terms of the educational welfare of children. In our respective leadership roles and responsibilities, we seek to develop and maintain our schools in a manner that meets the individual needs of all children regardless of their ability, race, creed, sex, or social standing. Heartfelt appreciation and recognition is extended to the Lyndhurst Board of Education.
- Ms. Jamie Stevens, Ms. Maryann Mule and Ms. Chelsea Trump have announced and are facilitating a series of school activities for the 2016 National "No Name-Calling Week" recognized from January 18<sup>th</sup>-22<sup>nd</sup>. "No Name-Calling Week" was inspired by the novel The Misfits, by James Howe. "No Name-Calling Week" is a week where schools across the nation recognize and celebrate kindness and respect. Each school in our district will participate in events aimed at ending name-calling and verbal and cyber bullying. This year, our faculty and students pledge to be kind and to facilitate activities that promote a school environment free of name-calling and bullying.
- Recognition and appreciation is extended to Stacy Tulloch and Elaine Catanese for their leadership in organizing the "Giving Tree" Project. Their work, along with the donations and efforts of faculty and community members, provided for 43 needy families in our district. Let's all take a minute to reflect upon how many extra smiles there were on Christmas morning as a result of kind hearts. The best gift of all is the gift of giving.
- Mayor Robert Gangeruso and the Lyndhurst Board of Commissioners extended a special "thank you" to Ms. Elena Wise and the LHS Choir for their participation in the township's holiday celebration, "Hometown Holiday in the Park". The Choir's performance showcased outstanding talent, as well as the joys of singing, which contributed to making the holiday celebration a wonderful and joyful event.

- Ms. Anne DeForge, LHS Media Specialist/Librarian and Mrs. Annie Rowe, school district liaison member of the Lyndhurst Public Library Board, are working with Mrs. Donna Romeo, Lyndhurst Public Librarian, on a joint venture. The goal is to increase teen library use. The public library currently has a small room with graphic novels that they have dubbed "The Teen Room". It has this name because this room is where most of the teen patrons like to hang out. Principal, Ms. Laura Vuono and Mrs. DeForge are considering a "teen room" in our school library to increase interest. Mrs. Romeo may facilitate a one time advisory event, where a group of our students would tour the teen room at the public library and make suggestions to make it better from a teen's point of view. We are anxiously looking forward to the continued development of this initiative and the expansion of our partnership.
- Under the direction and leadership of Ms. Tanya Pastor, high school English teacher and Supervisor of Language Arts, Ms. Lisa Klein, LHS students demonstrated their poetry writing skills and art and photography talents by collaborating in publishing Lyndhurst High School's Sixth Annual "Winter Poetry Slam". Congratulations to our featured faculty poet, Ms. Pastor, her team of student poets and the contributors of the art and photography portions of a most impressive publication.
- Congratulations to Mr. Blake Spence, Supervisor of Fine and Performing Arts, members of the department's faculty, and our talented vocal and instrumental students for their performances at December 2015 Holiday Winter Concerts. The public performances were enjoyed and applauded by family, friends, faculty, staff and members of our community. Special recognition is extended to Mr. Knitel, Mr. McConnell, Ms. Wise, Mr. Lang, Mr. Chwalyk, and Mr. Dellosa. It is obvious to me and all other adults in our schools and community who have served in orchestrating large scale community events the great deal of time, effort, care, coordination and just plain hard work that goes into public presentations. It was truly a delight to watch and listen to the Choir, Jazz Band, and the Concert Choir and Concert Band. The results of their leadership and the student talent and dedication were that parents, family members, friends and students experienced joy and pride in our Department of Fine and Performing Arts. The huge number of singers and musicians and the large crowds are testimony to this joy and pride.
- Congratulations and kind recognition to Ms. Theresa Brennen and Ms. Donna Spedding for their work in facilitating the Jefferson School Student Council's 2nd Annual Holiday Toy Drive. All toys were donated to and distributed by Joseph M. Sanzari Children's Hospital @ Hackensack University Medical Center. What a wonderful event in support of the patients at the Children's Hospital.

- LHS Principal, Ms. Laura Vuono announced the following:
  - On November 20, 2015, Lyndhurst High School 10 & 11 grade science students attended an Engineering Conference sponsored by Ridgewood High School. Mr. Joseph Collins and Ms. Anna Konel accompanied our students to the conference.
  - The Engineering Conference provided LHS students with valuable information and resources, a certificate of participation, and most importantly a chance to interact with many engineers currently working in various fields.
- At the October 2015, Bergen County English Supervisors Roundtable hosted at Lyndhurst High School by Lisa Klein, the Bergen County ELA supervisors discussed the possibility of working together to create common assessments to satisfy the 2016 ELA Portfolio Appeals Process for twelfth graders. While attending the Bergen County Curriculum Consortium in October, Ms. Klein discussed the project with Sharon Rosario, the Bergen County Curriculum Specialist, and she was in full support of this endeavor. The first full day work session was held in Cresskill on November 17<sup>th</sup>. Twenty-two supervisors and teachers from ten Bergen County school districts attended the session. A second work session was held at Lyndhurst High School on December 8<sup>th</sup>. Congratulations and appreciation to Ms. Klein.
- Mr. Blake Spence, Supervisor of Fine and Performing Arts announced that the following students have been selected to participate in the Bergen County Choir and Bergen County Band. Congratulations to our talented students!
 

Francesca DiPisa	Choir
Dennis Alarcon	Band
Betsaida Oliveira	Band
- In December, I received notification that Ms. Madalena Zak's and Ms. Stacy Tulloch's applications for nomination as a member of the NJDOE's Next Generation Science Standards curriculum assessment writing committee had been accepted. Twenty-six states and their board-based teams of curriculum writers work together in partnership throughout the country to develop the new science standards. In New Jersey, the implementation timeline is as follows: Grades 6-12 by the start of the 2016-17 school year and Grades K-5 by the start of the 2017-18 school year. Congratulations to Ms. Zak, Supervisor of Science and Ms. Tulloch, teacher at Memorial Campus. Both are recognized as distinguished members of our science education community.

January 7, 2016

- Commander of the Lyndhurst Veterans Alliance, Mr. Tom Witt wrote a letter of appreciation expressing “heartfelt thanks to the Board of Education, administration, faculty and students who participated in the Veterans Day Tribute on November 11, 2015”. A special note of appreciation is extended to all who participated.
- Special recognition and honor is extended to the Lyndhurst Middle School Robotics Team who earned the 4<sup>th</sup> place award at the South Bergen County Robotics Competition on December 17<sup>th</sup>. Within the framework of the STEAM Program (Science, Technology, Engineering, Art and Mathematics), students in South Bergen Jointure Commission schools participate in a program one day per marking period. Robotics is one of the four middle school themes. After receiving VEX IQ kits, our Robotics Club set out to work, building and learning how to operate the robots.
