

Cleveland ISD Star Students

Douglass Learning Academy

Week Ending May 13, 2022

- **Ulises Soto!** (11th grade) Ulises Soto is a student in my welding class at Douglas Learning Academy. He is doing a great job of learning the skill of welding. Ulises is a good student and works hard at gaining as much knowledge about welding as he can. He plans to graduate from Douglass Learning Academy and pursue welding as a career. ~T. Jones
- **Maria Euceda!** (11th grade) Maria is a hardworking and dedicated student! She is always willing to try something new in order to learn and get closer to graduation. ¡María es una estudiante trabajadora y dedicada! Siempre está dispuesta a probar algo nuevo para aprender y acercarse a la graduación. ~G. Rappe
- **Lia Ordonez!** (12th grade) Lia is a fantastic student, a hard worker, and has a great attitude. She is incredibly close to graduating and I am excited to see what she accomplishes in her life. ~G. Rappe
- **Kimberly Lopez Pinto!** (12th grade) Kimberly completed her last Business electives course this week and is in the process of finishing her last course at DLA. She will soon be another graduate on our campus. She is an excellent example of what a STAR student constitutes. Congratulations! on being named as a STAR student this week! ~C. Millard
