Assistant Superintendent's Signature

EDUCATIONAL TRIPS AND TOURS POLICY

The Central York School District recognizes that occasionally students may have the opportunity to participate in pre-planned trips and educational experiences during the regular school year. These trips are permitted under State Board of Education regulations as long as certain conditions are met and the educational experience is designed to provide the student with broadening understandings of social, cultural, educational or geographic values and concepts.

The process for approval begins with a written request of the parent on a District form. This form must describe the educational value of the trip in sufficient detail that a judgment can be made regarding the educational value as part of the approval process. Students are responsible for securing the initials of each of their teachers at the secondary level and their classroom at the elementary level before submitting the form for consideration. **Forms must be submitted to the school office with all information completed before the trip. No trips will be approved retroactively.** The student will also be required to secure and complete all classroom assignments, which occur during the absence.

Request forms are available in each school building office. Approval for each request will be evaluated by the following standards: previous attendance records, previous requests, academic performance and the educational value of the activity.
