2021-2022 ILEARN Rescore Request Process

May 16, 2022

Dear Parent or Guardian:

Your student participated in the ILEARN assessments during the recent testing window. In accordance with Indiana Code 20-32-5.1-13, parents and schools must have an opportunity to review and/or request a rescore for any eligible open-ended item(s) which students responded to on the ILEARN assessment.

If you are interested in participating in this process, you must make arrangements to visit our school to view your student's responses to any open-ended ILEARN items and request any rescoring. There is not a separate online portal for parents to access this information. Remote or virtual meetings to share or discuss test content are not allowed.

If you would like the opportunity to review your student's responses for a potential rescore, please contact the high school office to set up an appointment. You can also reach out directly via email, sdunn@rcsd.k12.in.us, or by phone 765-379-2551 extension 306.

Parents or guardians must sign and date a Non-Disclosure Agreement (NDA) at the school before viewing any test content. All test content (e.g., passages, items, responses, scoring rubrics) is secure and must not be discussed, shared, distributed, or duplicated in any way. The rescore request window is the only time student responses to open-ended items are visible. Items and responses will **not** be available outside of the rescore request window. Secure test content will remain in the item pool for possible use in future test administrations.

Together alongside school administration, you may view images of your child's response to each open-ended item, as well as related sample score-point responses and scoring rubrics to help you decide whether to request a rescore for the response.

The principal will submit any rescore request(s) on your behalf in the online platform, if desired. A rescore request can only be submitted one time for an item. Once a rescore request is submitted, the request and/or score change cannot be reversed and the item image will no longer be visible. **Pursuant to Indiana Code, ILEARN rescore requests may result in an increased or decreased scale score.**

Three ILEARN rescore request windows will occur this school year to support each ILEARN assessment. Preliminary results will be available in the Online Reporting System (ORS) during each rescore request window:

Assessment(s)	Test Window	Rescore Request Window
ILEARN Biology ECA	November 29 – December 16, 2021	January 24 – February 4,, 2022
ILEARN Biology ECA	February 7-24, 2022	April 4-15, 2022
ILEARN 3-8	April 18 – May 13, 2022	May 16 – June 3, 2022
ILEARN Biology ECA	April 18 – May 20, 2022	May 16 – June 3-28, 2022

Final results for all 2021-2022 ILEARN assessments will become available electronically for schools on **July 1, 2022**. Student results will be final at that time and reflect any properly submitted rescore request data.

Please reach out with any questions about the rescore request process.

Sincerely,

Shann Dunn
