April 2022

Dear Amherst Schools Parent/Guardian,

Beginning in August 2022, the Nutrition Services Department will change back to the way it operated before March 2020:

- 1) Breakfast and lunch will still be available to all students; however, they will not be free to all students. That means that families will need to complete the Free and Reduced-price Family Application to qualify for free or reduced-price meals. The students who do not qualify for free or reduced-priced meals must pay full price for breakfast and lunch:

	Breakfast	Lunch
K-5	\$1.80	\$3.35
6-12	\$2.35	\$3.60
Those who qualify for Reduced-price	\$0.30	\$0.40

- 2) Thanks to a generous donation, most of our student charges/negative balances for breakfast and lunch have been cleared. This means most students start the 2022-23 school year fresh, with no debt. Please strive to keep your child's account balance positive!
- 3) All students will enter their Student Number into the PIN Pad for the cashier to ring them out. This means ALL students *must* know their 6-digit Student Number before the first day of school in August. Their Student Number can be found in Power School near your child's name. If your student does not know their number, or needs to practice, please work with them over the summer so they are ready for the first day of school.

To check your student's account balance, complete a Free and Reduced-price Meals Family Application, or add money to your student's account, please go to [www.payschoolscentral.com](http://www.payschoolscentral.com).

If you have any questions at all, please feel free to call or email me. I am available from 7:00am – 3:00pm.

Sincerely,

Deanne Kelbley, RD, LD, SNS
