## Talk Sup Week 17 Review and Preview

January 10, 2022

Good morning Sayreville! I hope you had a relaxing weekend. Welcome to another edition of Talk Sup. Please remember that today our **students** will be **dismissed early** so that our staff can participate in professional development. Please also note that our schools will be **closed** for instruction next **Monday, January 17<sup>th</sup>** in observance of Martin Luther King Day.

Over the weekend, we once again received multiple reports of individuals testing positive for COVID-19. Below please find the breakdown of cases per school that were reported to us.

After conducting contact tracing in accordance with Center for Disease Control (CDC) and New Jersey Department of Health (NJDOH) guidelines, individuals from each location, with the exception of the middle school, were determined to be in “close contact” with the infected people. At this time, all should have been notified and directed to quarantine. At this time, all should have been notified and directed to quarantine. For more information on infections, click [here](#) to review our [Student](#) and [Staff](#) COVID-19 Dashboards.

With the recent and very large spike in COVID-19 cases, we continue to implore that parents:

- **Do not send their child(ren) to school if they are symptomatic.**
- **Report to the administration and nurses at their child(ren)’s respective school(s) if their child(ren) are symptomatic, have tested positive, or were in close contact with an infected individual outside of school.**
- **Diligently complete the daily health screener for their child(ren) every morning.**
- **Provide their child(ren) with a mask and remind them to wear it appropriately in school.**
- **Remind their child(ren) to practice appropriate hand hygiene**
- **Strongly consider participating in the school district’s testing and vaccination programs.**

That being said, please remember that, as part of our district’s [Safe Return Plan](#), this **Wednesday, January 5, 2022** we will resume **voluntary** staff/family and student/family **COVID-19 testing** with Back to School Solutions from **2:30 – 5 pm** and **voluntary vaccinations** with the Parlin Pharmacy from **4 -7 pm** in the **Sayreville War Memorial High School Cafeteria**. Please also note that the pharmacy is also providing **Pfizer, Moderna, and Johnson and Johnson booster** shots. **Likewise, they are now also providing vaccinations for children 5 years of age and older. However, in accordance with the CDC and NJDOH it is recommended that parents consult with their child’s pediatrician prior to getting them vaccinated, especially those under that age of 12.** Below, please find the tentative dates for both of these services throughout the fall. With regard to testing, since **we do not test people**

**who are demonstrating symptoms**, if you are symptomatic, you should ask your healthcare provider for an appropriate testing location. If you are a staff member or the parent of a student who is interested in learning more information about how you and your residing family members can participate in this vital virus spreading prevention activity, click [here](#). **Please note** that if you have already participated in testing with us, you only need to conduct a telemedicine appointment. If you have never tested with us in the past, you would need to register using the following link <https://backtoworksolutions.com/SayervillePSD.html>. Once you have conducted your telemedicine appointment, you will receive a **prescription** for the **PCR** test.

As mentioned above the Parlin Pharmacy will once again administer **Flu and COVID-19 Pfizer, Moderna, and Johnson and Johnson vaccine shots to anyone 5 years of age and older, as well as Pfizer, Moderna, and J&J booster shots, in the Sayreville War Memorial High School Cafeteria**. Naturally, **any individuals under the age of 18 will need to be accompanied by a parent/guardian, who will need to provide signed consent for the vaccination**. Therefore, anyone interested in receiving the vaccine **must register online in advance** by clicking [here](#) or by going to the **Parlin Pharmacy** website ([www.parlinrx.com](http://www.parlinrx.com)). Unfortunately, for safety purposes, **no “walk-ins” will be permitted into the school**. In fact, with in-district COVID-19 testing, **all registered participants must report to Door 22 of the high school cafeteria (adjacent to the dumpsters)**, where they will be screened by our security team before being allowed into the vaccination room. Below please find the tentative dates and times.

Thanks to our magnificent teachers and instructional staff, our students continued to progress in learning and had a ton of fun doing so this past week. At the high school, students in Ms. Moran’s class completed a CSI style investigation for their World History lesson. There were various exhibits for students to sort through in order to come to a supportive conclusion. In Project Before, our preschool students in Miss Gilbert’s class enjoyed a winter story read aloud by Miss Gracie, a Cooperative Education student from the high school who the children adore.

Last week our students, staff, and community members continued to impress us with their amazing accomplishments. We commend and congratulate SWMHS students Lillian Heidelberg (9<sup>th</sup> grade), Ycelsa Taveras (10<sup>th</sup> grade), Gerber Garcia (11<sup>th</sup> grade), and Celia Rosario (12<sup>th</sup> grade), who were recognized by the faculty at the high school as the December Students of the Month. Bomber

Nation salutes these and all our students, staff, and community members for representing Sayreville in such an impeccable manner. They Rock!

**Educating Today’s Learners to Be Tomorrow’s Leaders**

In athletics, we congratulate the SWMHS Boys Winter Track and Field Team for winning the Merli Invitational Large School Division last week. Anthony Voto won a Gold Medal in the Shot Put, while Zaimer White won Gold in the High Jump. The 4 x 800 relay team also won Gold. In addition, we commend the

SWMHS Wrestling Team, which last week defeated John F. Kennedy High School (HS), Edison HS, and Spotswood HS to improve its record to 4-3 on the season. Likewise, the SWMHS Boys and Girls Bowling Teams defeated Edison HS last week to improve their respective records to 13-2-1 and 12-3-1 on the season. Finally, last week the SWMHS Boys Basketball Team won its first game of the season over Piscataway Technical HS, while the Girls

Team defeated John F. Kennedy HS to earn its second win of the season. Win or lose, all our amazing student athletes continued to compete fiercely and demonstrate the teamwork and sportsmanship that makes us all proud to be Bombers. Thus, we thank them and their coaches for their hard work, dedication, and the manner in which they represent SWMHS and our community. Please remember that you can see all athletic team schedules and

view all the action by watching them on the live streaming links posted on the Athletics page of our website or by clicking [here](#).
