## Talk Sup Week 6 Review and Preview

October 18, 2021

Good morning Sayreville! I hope you had a most relaxing and enjoyable weekend. Welcome to another edition of Talk Sup.

Over the weekend one individual from the middle school tested positive for COVID-19. After conducting contact tracing in accordance with Center for Disease Control (CDC) and New Jersey Department of Health (NJDOH) guidelines, no individuals from the school were determined to be in “close contact” with the infected person. Please remember that, as part of our district’s [Safe Return Plan](#), this Wednesday we will resume **voluntary staff/family and student/family COVID-19 testing** with Back to School Solutions from **2:30 – 5 pm** and **voluntary vaccinations** with the Parlin Pharmacy from **4 -7 pm** in the **Sayreville War Memorial High School Cafeteria**. **Please also note that individuals 65 years of age and older, as well as those 18 years of age and up with complicated middle conditions or those who work in a high transmission risk occupation, including all school district employees, are now eligible for a Pfizer booster shot if they were previously vaccinated with the Pfizer vaccine.** Below, please find the tentative dates for both of these services throughout the fall. With regard to testing, since **we do not test people who are demonstrating symptoms**, if you are symptomatic, you should ask your healthcare provider for an appropriate testing location. If you are a staff member or the parent of a student who is interested in learning more information about how you and your residing family members can participate in this vital virus spreading prevention activity, click [here](#). **Please note** that if you have already participated in testing with us, you only need to conduct a telemedicine appointment. If you have never tested with us in the past, you would need to register using the following link <https://backtoworksolutions.com/SayrevillePSD.html>. Once you have conducted your telemedicine appointment, you will receive a **prescription** for the **PCR** test.

As mentioned above the Parlin Pharmacy will once again administer **Pfizer, Moderna, and Johnson and Johnson** vaccine shots to anyone **12 years of age and older**, as well as **Pfizer booster shots** to applicable people (see above), in the **Sayreville War Memorial High School Cafeteria**. Naturally, any individuals **under the age of 18** will need to be accompanied by a **parent/guardian**, who will need to provide **signed consent** for the vaccination. Therefore, anyone interested in receiving the vaccine **must register online in advance** by clicking [here](#) or by going to the **Parlin Pharmacy** website. Unfortunately, for safety purposes, **no “walk-ins”** will be permitted into the school. In fact, with in-district COVID-19 testing, **all registered participants must report to Door 22 of the high school cafeteria (adjacent to the dumpsters)**, where they will be screened by our security team before being allowed into the vaccination room. Below please find the tentative dates and times.

Thanks to our magnificent teachers and instructional staff, our students continued to progress in learning and have a ton of fun doing so this past week. At the Truman School, students and staff had a blast participating in Firefighter Appreciation Day. We thank Melrose Hose

Company Number-1 for taking the time from their very busy schedule to provide our students and staff this very formative experience. Moreover, we thank all our very brave women and men from the Sayreville Fire Department for risking their lives to keep us all safe.

At the high school, students in Ms. DiPaolo's and Mr. Knott's Biology class examined local pond water and the water shrimp they discovered that was living in it. Likewise, in Mr.

Veres' Advance Placement Biology Class, students constructed models of carbohydrates, proteins, nucleic acids, and lipids. In addition, other students engaged in team building skills with their classmates from the Peer Leadership and Unified Physical Education, while others practiced their clerical work in the main office and/or served coffee and breakfast treats to staff. At the middle school, students showed off their artistic skills when participating in Chalk Walk for Week of Respect. At the Arleth School, our English language learners were hard at work with Ms. Cicero while reading about, comparing and contrasting, and speaking about lots of Wiggly Fish. At the Samsel Upper Elementary School (SUES), students and staff demonstrated their school spirit by participating in Team Jersey Day. Finally, at the Eisenhower School, Mr. Nurnberger had a great time dressing up and participating in the PTO sponsored Pumpkin Patch Day with students, staff, and parents.

This past week our students, staff, and community members continued to impress us with their amazing accomplishments. We congratulate SUES students Leighann Russer and Justin Freyer, who won the 2021 Summer Reading Raffle. Likewise, we congratulate and commend Eisenhower School students Makhi Hill, Rory McCarthy, and Sophia Perez, who were caught being Social and Emotional Learning Smart

last week. Bomber Nation salutes these and all our students, staff, and community members for representing Sayreville in such an impeccable manner. They Rock!
