

SCHOOL IMPROVEMENT PLANS 2018-2019

Craneville School
Kittredge School
Becket Washington School

SCHOOL IMPROVEMENT GOAL

GOAL: Through the research based educational framework of UDL and the implementation of a standards based Coaching Model, students will meet or exceed targets for all students as well as student sub-groups as measured by state and local assessments.

Focus Areas:

1. Share 2018 data results with staff to ensure a common understanding of areas of challenge
2. Create targeted interventions based on data analysis from Collaborative Inquiry meetings
3. Implement a coaching model, with embedded professional development for teachers
4. 100% of staff will complete UDL 101 graduate course, and 30% will complete UDL 102 graduate course.
5. Implement Edulastics benchmarking system and monitor progress.

PBIS

GOAL: Implement the next phase of Positive Behavioral Interventions and Supports (PBIS)

Focus Areas:

1. Professional Development to review PBIS implementation stage and create action plan.
2. Establish PBIS Leadership Team to meet monthly to work on action plan, monitor progress and goals.
3. Integrate multiple components of the PBIS with increased fidelity.
4. Establish data collection protocol and review/analyze data.
5. Develop teaching plan for schoolwide expectations. Train staff and students.

SEL

GOAL: Explore, analyze, and assess the components of Social Emotional Learning (SEL) to ensure a safe and productive school climate.

Focus Areas:

1. Analyze and assess schoolwide data to support the work of drafting an SEL action plan consistent with school and district goals.
2. Conduct a program review of available evidence based instruction in SEL using CASEL as a framework.
3. Monitor and draft plans to address chronic absenteeism.
4. Continue partnership with local and state agencies to stay current on safety protocols and drill requirements.
