FREE & REDUCED LUNCH UPDATE

NEW: School Meals for the 2022-23 School Year:

Since the beginning of the pandemic, the USDA has funded free meals to all students. The USDA free meal waiver is set to expire on June 30, 2022. As a

result, the district will start charging fees again for lunch and breakfast starting in the 2022-23 school year. The district will continue to provide student meals free of charge at all school sites through June 30, 2022.

Free and Reduced Meal Applications:

Even though meals are free through June 30 of this school year, we strongly encourage all families who might be eligible for benefits to submit an application now. Filling out an application now may qualify families to receive seamless meal benefits through October 15 to start the new school year. Completing an application online takes less than 10 minutes, and parents only need to complete one application per family. For more information, visit the lwsd website.

RHS HELP HELPS!

Seniors: if you are having trouble affording your **graduation cap and gown** or other graduation expenses, please reach out to your counselor or Mrs. Zambrowsky-Huls. **RHS Help** may be able to assist you in paying for your graduation gown.

LIBRARY NEWS

RHS Graduates, the library needs yearbooks! We keep an archive of all RHS yearbooks, and we are missing a few years. We will accept donations of any yearbook but are particularly looking for recent years: 2016-2017, 2017-2018, 2018-2019, 2019-2020, 2020-2021. You can drop off any donations for the library at the front office.

ASL TUTORING

New: ASL Tutoring

ASL Honor Society students are offering ASL tutoring every Monday from 2:25-3:00 in room E105. Feel free to drop in for ASL help.

ON-SITE TESTING

COVID-19 TESTING

Lake Washington School District (LWSD) is committed to providing a safe environment to our students and staff. Part of that commitment is to adapt to the constant changes related to the COVID-19 pandemic. Last month, LWSD received guidance from the Department of Health to help lead us through this next phase of the pandemic. Part of that guidance included language regarding testing and how the school district can maintain this important resource for the students and staff of LWSD.

The process LWSD is following related to COVID-19 on-site testing has changed with this newest guidance. Families can still expect to see a COVID-19 exposure notification when we are notified of a positive case on campus. The notification will provide instructions for how to sign up for testing. If a family wants their student to be tested, then they need to have the opt-in form signed. For more information, visit the LWSD website.

PARENT RESOURCES

Parents, here is a new resource to help support your teens/youth:
The NEW Washington State resource to strengthen suicide prevention and mental health crisis services---the Suicide & Crisis Lifeline. **Just dial 988 to access.**

SBA REPORTS AVAILABLE

***New:* Fall Smarter Balanced Assessment PDF reports available through Skyward/Family Access**

In fall of 2021, students in 4th-9th and 11th grades took the Smarter Balanced Assessment (SBA) in English language arts and math. Students in 6th, 9th and 12th grade took the Washington State Comprehensive Assessment of Science (WCAS). The primary purpose of these tests was a brief check-in on how students are doing compared to some of the state standards.

Scores from these tests were posted to Family Access in December under "Test Scores." OSPI has now provided electronic score reports in PDF format to the district for the students that took the fall test. These score reports do not provide any new student score data; however, they do provide some graphical and textual explanations of the data. These score reports are now in Family Access.

To access the PDF score report:

1. Login to Family Access.
2. Select "Portfolio" on the left menu.
3. Select "Show Scores" for the assessment.

Skyward Family Access support is available on the LWSO website.

Scores from the spring 2022 state tests for ELA and math are typically available by end of June. A communication will be sent when these scores are posted to Family Access.

RIISING SENIOR TIMELINE AND COLLEGE ESSAY TIPS 6/1 @ 1 PM

Calling the Class of 2023! Learn tips for organizing your college list and application process throughout the next year with Nhien Quach, University of New Hampshire and Joe Johnson, Lawrence University.

HOW COLLEGE ADMISSION DECISIONS ARE MADE 6/1 @ 2 PM

While colleges don't make decisions in exactly the same way, there are some significant similarities that can help you understand what they are looking for once an application is submitted. Get a look at what happens on the college side w/guests Jarrod Larse, Oregon State University and Anne Aegerter, University of Redlands.

Full Year WANIC Update:

These programs have space available for 2022-23 and are accepting applications: Building Industry Technology - Core+ Construction, Dental Careers, DigiPen Art & Animation, DigiPen Data Analytics & Visualization, DigiPen Game Design, DigiPen Music & Sound Design, DigiPen Video Game Programming, Fire & EMS, Health Science Careers – Nursing (WANIC location only) and Medical Careers. Applications for all other programs are closed.

SUMMER WANIC UPDATES: Many classes are closed at this time. Applications are open first-come, first-served for several programs. We are accepting applications for programs that have short waitlists. All Summer DigiPen programs are closed. If a class does not appear as a selection on the application, it is closed and we are not accepting applications for it.

CTE Dual Credit

Students who register for CTE Dual Credit classes can earn college credit in addition to their high school credit for completing high school classes that are formally aligned – articulated – with college courses. Eligible classes are considered “Career & Technical Education (CTE)” at the high school level and connect to “Professional or Technical” courses/programs at the college. All articulated courses are included in a certificate or degree program at the awarding college. Make sure you register your classes and pay by June 15th, 2022 to receive college credit!

Check out the bulletin boards outside the College & Career Center.

American Legion Auxiliary is hosting the Evergreen Girls State Virtual Experience, May 31 - June 2, 2022, 7–9 pm via Zoom. There’s no cost, all high school girls are welcome, college scholarships available and opportunity to apply to attend ALA Girls Nation. Visit evergreengirlsstate.com to sign-up.

\$SCHOLARSHIP\$

There are just a few left. Information and applications are posted on the Scholarship Bulletin by CCC, in Teams and Xello.
