Join us for Girl Scouts in Your Community. Girls in grades K-5 are invited to join our community troops in your neighborhoods. These troops will be led by GSHPA staff every week for four months, with no cost to your girls.

Our program will start with our Becoming Me Series in connection with Michelle Obama's book, *Becoming*, and continues with activities focused in our four Girl Scout pillars, Life Skills, STEM, Entrepreneur and Outdoors.

Visit our Registration page to see the options in York!
