Staff Development and Mentoring

I. Purpose

This policy is to establish a staff development program and structure to carry out planning and reporting on staff development that supports improved student learning.

II. General Statement of Policy

The school district is committed to facilitating, nurturing and promoting opportunities to increase the personal professional development of all district employees. The district will create an Advisory Staff Development Committee that develops and implements the learning plans of the district. The professional learning plans will align with the district's mission and goals.

III. Advisory Staff Development Committee and Site Professional Development Teams

A. The district will establish an Advisory Staff Development Committee to develop a Staff Development Plan, assist Site Professional Development Teams in developing a site plan consistent with the goals of the Staff Development Plan, and evaluate staff development efforts at the site level.

1. The majority of the membership of the Advisory Staff Development Committee will consist of teachers representing various grade levels, subject areas, and special education. The Committee also will include non teaching staff, parents, and administrators.

B. Establishing Site Professional Development Teams

1. Members of the Site Professional Development Teams will be appointed by administration based building based on site and staff need. Building administration shall appoint replacement members of the Site Professional Development Teams as soon as possible following the resignation, death, serious illness, or removal of a member from the Team.
2. The majority of the Site Professional Development Teams will be teachers representing various grade levels, subject areas, and special education.

IV. Duties of the Advisory Staff Development Committee

- A. The Advisory Staff Development Committee will develop and review a Staff Development Plan on an annual basis. This plan will align with the school district's mission and goals. The school board will approve the plan as a part of the World's Best Workforce report each year.

- B. The Staff Development Plan must contain the following elements:
 - 1. Staff development outcomes that are consistent with the education outcomes as may be determined periodically by the school board;
 - 2. The means to achieve the Staff Development Plan outcomes;
 - 3. The procedures for evaluating progress at each school site toward meeting educational outcomes consistent with relicensure requirements under Minnesota Statutes, section 122A.187;
 - 4. Ongoing staff development activities that contribute toward continuous improvement in achievement of the following goals:
 - a. Improve student achievement of state and local education standards in all areas of the curriculum, including areas of regular academic and applied and experiential learning, by using research-based best practices methods;

 - c. Provide an inclusive curriculum for a racially, ethnically, linguistically, culturally diverse & students with special needs that is consistent with state education diversity rule and the district's education diversity plan;
 - d. Improve staff collaboration and develop mentoring and peer coaching programs for teachers new to the school or district;
 - e. Effectively teach and model violence prevention policy and curriculum that address early intervention alternatives, issues of harassment, teach nonviolent alternatives for conflict resolution, and support strong social and emotional learning.
 - f. Effectively deliver digital and blended learning and curriculum and engage students with technology; and

- g. Provide teachers and other members of site-based management teams with appropriate management and financial management skills.

5. The Staff Development Plan also must:

- a. Support stable and productive professional communities achieved through ongoing and schoolwide progress and growth in teaching practice;
- b. Emphasize coaching, professional learning communities, classroom action research, and other job-embedded models;
- c. Maintain a strong subject matter focus premised on students' learning goals consistent with Minnesota. Statutes section 120B.125;
- d. Ensure specialized preparation and learning about issues related to teaching multilingual learners and students with special needs by focusing on long-term systemic efforts to improve educational services and opportunities and raise student achievement; and
- e. Reinforce national and state standards of effective teaching practice.

6. Staff development activities must:

- a. Focus on the school classroom and research-based strategies that improve student learning;
- b. Provide opportunities for teachers to practice and improve their instructional skills over time;
- c. Provide opportunities for teachers to use student data as part of their daily work to increase student achievement;
- d. Enhance teacher content knowledge and instructional skills, including to accommodate the delivery of digital and blended learning and curriculum and engage students with technology;
- e. Align with state and local academic standards;
- f. Provide opportunities to build professional relationships, foster collaboration among principals and staff who provide

- F. The Advisory Staff Development Committee will assist the district in preparing any reports required by the MN Department of Education relating to staff development or teacher mentoring including, but not limited to, the reports referenced in Section VII. below.
- V. Duties of the Site Professional Development Team
- A. Each Site Professional Development Team will develop a site plan, consistent with the goals of the Staff Development Plan. District leadership will review the site plans for consistency with the Staff Development Plan on an annual basis.
 - B. The Site Professional Development Team will demonstrate to district leadership the extent to which staff at the site have met the outcomes of the Staff Development Plan. The actual reports to the school board can be made by the Advisory Staff Development Committee to avoid duplication of effort.
 - C. If district leadership determines that staff development outcomes are not being met, it may withhold a portion of the initial allocation of revenue referenced in Section V. below.
- VI. Staff Development Funding
- A. Unless the school district is in statutory operating debt or a majority of the school board and a majority of its licensed teachers annually vote to waive the requirement to reserve basic revenue for staff development, the district will reserve an amount equal to at least two percent of its basic revenue for: (1) teacher development and evaluation under Minnesota Statutes, section 122A.40, subdivision 8 or 122A.41, subdivision 5; (2) principal development and evaluation under section 123B.147, subdivision. 3; (3) professional development under section 122A.60; (4) in-service education for programs under section 120B.22, subdivision 2; and (5) teacher mentorship under section 122A.70, subdivision 1. . To the extent extra funds remain, staff development revenue may be used for development plans, including plans for challenging instructional activities and experiences under section 122A.60, and for curriculum development and programs, other in-service education, teacher's workshops, teacher conferences, the cost of substitute teachers for staff development purposes, preservice and in-service education for special education professionals and paraprofessionals, and other related costs for staff development efforts. The district also may use the revenue reserved for staff development for grants to the district's teachers to pay for coursework and training leading to certification as either a college in the schools teacher or a concurrent enrollment teacher. To receive a grant, the teacher must be enrolled in a program that includes coursework and training focused on teaching a core subject.

- B. The district may, in its discretion, expend an additional amount of unreserved revenue for staff development based on its needs.
- C. Release time provided for teachers to supervise students on field trips and school activities, or independent tasks not associated with enhancing the teacher's knowledge and instructional skills, such as preparing report cards, calculating grades, or organizing classroom materials, may not be counted as staff development time that is financed with staff development reserved revenue under Minnesota Statutes section 122A.61.
- D. The district may use staff development revenue, special grant programs established by the legislature, or another funding source to pay a stipend to a mentor who may be a current or former teacher who has taught at least three (3) years and is not on an improvement plan. Other initiatives using such funds. or funds available under Minnesota Statutes, sections [124D.861](#) and [124D.862](#), may include:
 - 1. additional stipends as incentives to mentors of color or who are American Indian;
 - 2. financial supports for professional learning community affinity groups across schools within and between districts for teachers from underrepresented racial and ethnic groups to come together throughout the school year;
 - 3. programs for induction aligned with the district or school mentorship program during the first three (3) years of teaching, especially for teachers from underrepresented racial and ethnic groups; or
 - 4. grants supporting licensed and nonlicensed educator participation in professional development, such as workshops and graduate courses, related to increasing student achievement for students of color and American Indian students in order to close opportunity and achievement gaps.

To the extent the district receives a grant for any of the above purposes, it will negotiate additional retention strategies or protection from unrequested leave of absences in the beginning years of employment for teachers of color and teachers who are American Indian. Retention strategies may include providing financial incentives for teachers of color and teachers who are American Indian to work in the school or district for at least five (5) years and placing American Indian educators at sites with other American Indian educators and educators of color at sites with other educators of color to reduce isolation and increase opportunity for collegial support.

VII. Procedure for Use of Staff Development Funds

- A. On an annual basis, the Advisory Staff Development Committee, with the assistance of the Site Professional Development Teams, will prepare a projected budget setting forth proposals for allocating staff development and mentoring funds reserved for each school site. Such budgets will include, but not be limited to, projections as to the cost of building site training programs, costs of individual staff seminars, and cost of substitutes.
- B. Upon approval of the budget by the school board, the Advisory Committee will be responsible for monitoring the use of such funds in accordance with the Staff Development Plan and budget. The requested use of staff development funds will meet or make progress toward the goals and objectives of the Staff Development Plan. All costs/expenditures will be reviewed by district leadership for consistency with the Staff Development Plan on an annual basis.
- C. Individual requests from staff for leave to attend staff development activities will be submitted and reviewed according to district policy, staff procedures, contractual agreement, and the effect on district operations. Failure to timely submit such requests may be cause for denial of the request.

VIII. Reporting

- A. The school district and site staff development committee will prepare a report of the previous fiscal year's staff development activities and expenditures as part of the district's World's Best Workforce report.
 - 1. The report must include assessment and evaluation data indicating progress toward district and site staff development goals based on teaching and learning outcomes, including the percentage of teachers and other staff involved in instruction who participate in effective staff development activities.
 - 2. The report will provide a breakdown of expenditures for:
 - a. Curriculum development and curriculum training programs;
 - b. Staff development training models, workshops, and conferences; and
 - c. The cost of releasing teachers or providing substitute teachers for staff development purposes.

The report also must indicate whether the expenditures were incurred at the district level or the school site level and whether the school site expenditures were made possible by the grants to school sites that demonstrate exemplary use of allocated staff development revenue. These expenditures must be reported using the uniform financial and accounting and reporting standards (UFARS).

3. The report will be signed by the superintendent and staff development chair.
- B. To the extent the district receives a grant for mentorship activities described in Section V.D., by June 30 of each year after receiving a grant, the site staff development committee must submit a report to the Professional Educator Licensing and Standards Board on program efforts that describes mentoring and induction activities and assesses the impact of these programs on teacher effectiveness and retention.
