Summer camp is an important part of the development of each player individually and to the development of the team. The camp will include drills, contests, and scrimmages. The camp will focus on fundamental skills and provide the players the greatest opportunity for personal development. Players will learn the varsity offenses, defenses, and plays that will be used in the upcoming season.

The team will be playing in a summer league at El Toro High School on Monday and Wednesday evenings. This gives the players an opportunity too put into action what they learned.

Participation in the summer camp is not mandatory in order to try out for the basketball team, but it is **HIGHLY** recommended. Coaches will determine players' initial placement on teams (Junior Varsity or Varsity), positions, and status (starter, rotation, bench) during their observations during summer camp.

No player will be denied participation for financial reasons. Please speak with Dr. Denise Selbe, Athletic Director, or Coach Matt Tietz for partial or complete credit towards the cost.

Any questions, email Coach Tietz at mtietz@lbusd.org
