

## 2022 Professional Development Opportunities

**This site will be updated on a frequent basis so please check back often to explore other professional development opportunities.**

There are several Professional Development Opportunities provided this summer.

There are eight required days of in-service annually: Summer (1); System wide In-service (1); Regional Learning Together Day in October (1); Workdays at schools (3); Parent Teacher Conferences (1); Faculty meetings throughout the year (1).

If a teacher chooses the stipend option, they may not count that day towards the in-service requirement (**only three stipends can be chosen each year- the literacy training does not count toward these stipends**). Additional in-service time (PDP's) that is accumulated may be used toward license renewal and documentation should be uploaded to TN Compass for approval.

**You do not have to sign up for required in-services. You are expected to attend an in-service that is required if you are in the group listed. If you cannot attend you need to let the appropriate supervisor know you will not be there.**

Assistants are also invited to attend if space is available.

**All in-services begin at 9:00 and end at 3:00 unless otherwise noted.**

Date	Activity	Location	Group	In-service/ Stipend	Contact
<b>May 2022</b>
