

ROSEVILLE AREA SCHOOLS
Independent School District No. 623

Policy 628 – Research in Schools

The Roseville School Board recognizes the need and value of educational research in developing, validating, and standardizing new programs and strategies in education. It is our policy to cooperate as far as possible with colleges, universities, and other responsible parties to promote potentially beneficial research. Such research shall not, however, unduly interfere with the normal operation of the schools nor infringe upon the privacy of employees and students.
