Quality Teaching & Learning for All...Equity in All We Do

Central Park 2021-2022 Parent and Family Engagement Plan

Central Park is committed to the goal of providing quality education for every child in this district. We want to establish partnerships with parents and with the community. Everyone gains if school and homework together to support high achievement of our children. We can't do this job alone. Parents and families play an extremely important role as children's first teachers. Their support for their children and for the school is critical to their children's success at every step along the way.

Part I. Description of how the District and School will Implement Required Components

1. Central Park will engage parents and families who have Title I students in developing/revising the district and school Plan.
(Describe actions)
Parent and Family members have been invited to participate in the development and evaluation of the Central Park Title One plan. There will be on-going opportunities (Fall, Winter, Spring PTA meetings and Multilingual Parent Pride events and Classroom Family Circles) throughout the school year to continue to provide feedback and input to the plan.
2. Central Park will convene an annual meeting, at a convenient time, when the parents of participating children are available to attend. The Title I annual meeting will inform parents about the Title I program, explain the requirements of parent and family engagement and the rights and responsibilities of the parents to be involved.
(Describe when and where the annual meeting will be held.)
Families are invited to a Fall kick-off event on Sept 30, 2021. This meeting may be done remotely for all families due to COVID-19 and/or in-person if safety can be assured. The Title One plan will be shared during this event and feedback will be gathered. Depending on cultural liaison availability, the date may vary for the four primary language groups at CP (Nepali, Karen, Spanish and English) to ensure language is not a barrier for families. The meetings will take place between 5 and 7 pm. Location will be either in person or using Zoom links. Grade levels will be sharing curriculum and grade level standards during early fall conferences.
3. Central Park will offer flexible conference times during morning, afternoons or evenings. Transportation, childcare, home visits or zoom links with access may be provided to families by request or as needed.
(Describe actions)
Principal and teachers are available to meet with families at times that best meet their needs. Though there are some prearranged times and opportunities we may offer a bus (to a central location) and taxi transport as requested by parent or teacher to facilitate meetings with families. Teachers, cultural liaisons or Dialogue One, principal, student services staff are all available to connect with families. Seesaw school-wide will offer parents real-time connections to what their child is learning. This is a communication tool for parents, staff and students. There is a text to teacher option and there are translation options as well.

4. Central Park will involve parents in the planning and review of the school improvement plan and the joint development of the schoolwide plan when applicable. If the schoolwide plan is not satisfactory to the parents, they may submit comments on the plan when submitted to the district. [Section 1114(b)]
(Describe actions)

Parents may submit written or verbal comments on the plan any time after it is posted on the district or school website. In addition, there is a written copy available in the school office. Cultural liaisons are available to assist parents who would like to make comments as well.
