2022-2023

## MIDDLE SCHOOL

### Online Textbooks

As Briarcrest Christian School has transitioned to a one-to-one laptop environment, the majority of textbooks are now online or digital. This allows students to “carry” and interact with their books on their laptops and has cut down on the cost of textbooks compared to purchasing traditional hardback textbooks. For your convenience, **access to all online textbooks will be given to students by their teachers and will be billed through Facts Tuition Management. There is no action required on your part for your student(s) to receive their online textbooks.**
