

Dear Parents of Rising First Graders,

Although it is just the beginning of the summer, the first-grade teaching team would like to express a warm welcome to your family. We are thrilled to have your children in our classrooms next year!

Throughout the summer, we ask that you continue or create a reading routine that highlights the joy of sharing books together as a family. Below you will find the first grade recommended summer reading list. This list is an author study of Peter Reynolds. We encourage your family share in reading these books during this summer in anticipation of our first days of school. Your child may choose to read these books independently or read them jointly with a parent or family friend. To help your child get excited about the summer reading, will be sending home a copy of The Word Collector. We look forward to hearing about the many creative and different ways in which your family explored these books during the summer.

Enjoy your summer and the family activities you have planned!

Sincerely,

The First Grade Team

Please don't forget that the public library has many copies of these popular books. As well as being a great resource, regular visits to the Public Library can be a valuable routine that promotes reading for children and their family members.
