# Introduction

## Handbook Purpose

The purpose of the handbook is to acquaint you with general policies and procedures of the Trigg County Schools that govern and affect your responsibilities as a coach.

Because this handbook is a general source of information, it is not intended to be, and should not be interpreted as, a contract. It is **not** an all-encompassing document and may not cover every possible situation or unusual circumstance. If a conflict exists between information in this handbook and Board policy or administrative procedures, the policies and procedures govern.

Some policies refer to specific forms that are available as part of the District's administrative procedures. It is the employee's responsibility to refer to the actual policies and/or administrative procedures for further information. Complete copies of those documents are available at the Central Office and in the Principal's office. Policies and procedures also are available on line via the District's web site or through this Internet address: <http://policy.ksba.org/t03/>. Any employee is free to review official policies and procedures and is expected to be familiar with those related to his/her job responsibilities. Employees and students who fail to comply with Board policies may be subject to disciplinary action. **01.5**

School council policies, which are also available from the Principal, may also apply in some instances. **02.4241**

In this handbook, **bolded policy codes** indicate related Board of Education policies. If an employee has questions, s/he should contact his/her immediate supervisor or any Central Office administrator.

This handbook is intended to be a tool to help implement local policies and procedures and guidelines established by the Kentucky High School Athletic Association (KHSAA) and other sport-specific governing bodies in the administration of student-athletics. For more detailed information about the KHSAA and the bylaws referenced in this handbook, please visit the following website:

Slogan:

Empowering the Next Generation

Core Values:

**Mastery Learning:** A commitment to support ALL students in mastering world class knowledge and skills; regular ongoing formative assessment by teachers, and high quality corrective instruction (interventions).

**Personalized Learning:** A commitment to be learner centered allowing for student voice; pacing is driven by individual student needs, tailored to learning preferences and customized to the specific interests of different learners.

**Authentic Learning:** A commitment to immerse students in authentic and meaningful applications of the world class knowledge and skills with a variety of assignments, projects, tasks, experiences, and assessments; connecting what students are taught in school to real-world issues and problems.

**Continuous Improvement:** A commitment to excellence which requires us to embrace a growth mindset that encompasses ongoing learning, reflection, risk taking, and innovation, for students and staff.

**Relationships:** A commitment to know and be known as demonstrated through trusting interactions, investing time, and taking a personal interest with and among students, teachers, and community members to ensure every individual feels valued.

## **Athletic Program Philosophy**

To promote safety, fairness and good sportsmanship at all levels of the District athletic program, coaches shall implement relevant policies and procedures of the Trigg County Board of Education, the SBDM council and the Kentucky High School Athletic Association (KHSAA).

It is the intent of the Board of Education that students participate in as many athletic activities for which they are eligible and their parents wish. To this end, coaches shall strongly encourage students to participate in all sanctioned sports programs offered by the school. It shall be the responsibility of all coaches to follow these guidelines:

- If student-athletes quit when faced with a possible suspension from eligibility or are removed from an activity for disciplinary reasons, they shall be ineligible to compete in another sport for the period of the disciplinary sanction imposed or for the period the sanction would have been imposed had s/he not quit.
- Student-athletes may participate in more than one (1) sport or sport activity during the same season, if both coaches are able to coordinate a student's schedule.

## **Cutting of Participants**

The coaching staff of each individual sport shall establish the process for deciding whether athletes will be “cut” during a tryout period during which the final composition of a team will be determined. If a coaching staff determines that “cuts” are necessary, they shall discuss with all athletes attending the tryouts the criteria to be used to evaluate the athletes during the tryout period. This procedure shall also describe the notification process that will be used to inform all athletes of their status following the tryout period. The coaching staff must make every effort to ensure that all athletes attending the tryouts clearly understand the criteria to be used to evaluate them.

The notification procedures used by the coaching staff should, if feasible, include individual conferences with each athlete that does not make the final team. These conferences shall include feedback to the athletes on the areas where they might improve athletically and always ensure the dignity and growth of the individual student.

## **Conduct of Program**

All interscholastic and intramural athletic competition shall be in compliance with the constitution, bylaws, and competition rules of the Kentucky High School Athletic Association (KHSAA) and Title IX requirements. As a condition to KHSAA membership, each member school and Superintendent shall annually submit a written certification of compliance with 20 USC Section 1681 (Title IX).

Coaches shall abide by:

- Policies adopted by the school council relating to evaluation of the athletic program that address program equity for both male and female athletics.
- Program implementation requirements developed by Superintendent/designee to promote compliance with Title IX requirements.

- Rules and limitations established by 702 KAR 7:065 and the local Board for students participating in middle school sports and sport activities. **09.31**

***STUDENTS FIRST, ATHLETES SECOND***

## **KHSAA Imposition of Penalties**

If KHSAA rules and regulations are violated, penalties may be imposed on the school or individual within the defined parameters of Bylaw 27, the KHSAA Due Process Procedures. The Principal shall be responsible for oversight of the school's athletic program to see that it remains compliant with KHSAA rules.

<p><b>Please refer to KHSAA Bylaw 27.</b></p>
---

## **Middle School Applicability**

Per 702 KAR 7:065, the KHSAA has responsibility for the regulation of athletics at the Middle School level. An Advisory Committee will set any statewide regulations, with approval from the Kentucky Board of Education and the Kentucky General Assembly through 702 KAR 7:065. This regulation sets very few statewide rules, but requires the establishment of many rules at the local level. Though there is not "membership" for middle schools in KHSAA at this time, the governance model requires local Boards of Education to ensure enforcement of a variety of restrictions, most of which are related solely to the health and safety of the student-athlete and to maintain the proper perspective for interscholastic athletics within the education model.

## **Future Changes**

Although every effort will be made to update the handbook on a timely basis, the Trigg County Schools reserve the right, and have the sole discretion, to change any policies, procedures, benefits, and terms of employment without notice, consultation, or publication, except as may be required by contractual agreements and law. The District reserves the right, and has the sole discretion, to modify or change any portion of this handbook at any time.

### Coach-Parent Communications

To demonstrate the District's commitment to productive school-home communications, coaches are expected to respond to requests from parents via phone calls, e-mail messages, and written requests within forty-eight (48) hours of receipt of the message unless extraordinary circumstances prevail. If the message is received on Friday or the day before a break in the school calendar, every reasonable effort shall be made to respond that day, but certainly no later than the next school day.

### Scheduling

Coaches shall adhere to the following scheduling guidelines, unless circumstances dictate otherwise, in which case they shall confer with the Principal.

Scheduling of athletic competitions and sport activities shall be approved in advance by the Principal and meet all applicable conference, district or regional requirements in keeping with KHSAA rules and regulations. **09.31**

**Please refer to KHSAA Bylaws 19-24.**

Examples of scheduling of athletic practices and sport activities which should be avoided include the following:

- a. Conflict with end of semester exams.
- b. Occur during professional development activities
- c. Coincide with religious observances and/or times of worship.

## Drug-Testing of Students

The Board has established a random drug and alcohol testing program for students participating in athletics in high school. The plan to implement the drug testing program shall be developed by District personnel in cooperation with the testing laboratory and has been provided to all schools and is kept on file in the Central Office.

Each student who plans to participate in athletics at the high school level in Trigg County Schools shall have his/her parent or guardian sign a written consent for drug/alcohol testing as a prerequisite to the student's participation in an athletic program. The written consent grants permission to perform a random urinalysis for drug testing during the course of the school year for each student athlete.

- First Offense – The athlete is suspended for one (1) game and must complete a drug-counseling program at the expense of the athlete.
- Second Offense – The athlete is suspended from the remainder of that sport season and must complete a drug-counseling program at the expense of the athlete.
- Third Offense – The athlete is suspended for the remainder of the school year. The athlete could be reinstated at the beginning of the next school year.
- Fourth Offense - The athlete would be suspended from all athletic competition for the remainder of his/her athletic career at Trigg County High School.

Note: Additional consequences also apply to this policy. **09.313**

*“The Kentucky High School Athletic Association requires officials to enforce sportsmanship rules for athletes and coaches. We will not tolerate negative statements or actions between opposing players, especially trash-talking, taunting or baiting of opponents. If such comments are heard or actions seen, a penalty will be assessed immediately. We have been instructed not to issue warnings. Let today’s contest reflect mutual respect.”*

It is the clear obligation of all official representatives of member schools to practice the highest principles of sportsmanship and the ethics of competition in all interscholastic relationships.

## Code of Ethics for Coaches

The function of a coach is to educate students through participation in interscholastic competition. An interscholastic program should be designed to enhance academic achievement and should never interfere with opportunities for academic success. Each student-athlete should be treated as though he or she were the coaches' own, and his or her welfare should be uppermost at all times. Accordingly, the following guidelines for coaches have been adopted by the NFCA Board of Directors.

- The coach shall be aware that he or she has a tremendous influence, for either good or ill, on the education of the student-athlete and, thus, shall never place the value of winning above the value of instilling the highest ideals of character.
- The coach shall uphold the honor and dignity of the profession. In all personal contact with student-athletes, officials, athletic directors, school administrators, the state high school athletic association, the media, and the public, the coach shall strive to set an example of the highest ethical and moral conduct.

- The coach shall respect and support contest officials. The coach shall not indulge in conduct which would incite players or spectators against the officials. Public criticism of officials or players is unethical.
- Before and after contests, coaches for the competing teams should meet and exchange cordial greetings to set the correct tone for the event.
- A coach shall not exert pressure on faculty members to give student-athletes special consideration. A coach shall not scout opponents by any means other than those adopted by the league and/or the Kentucky High School Athletic Association (KHSAA).
