

Trigg County Primary School- Parent/School Learning Compact

Date: _____

Effective schools are a result of families and school staff working together to ensure that children are successful. Research shows that if children are not successful in reading by the end of third grade it is difficult for them to catch up in later years. It is important that we, as a team, do all that we can to help children in their efforts to be successful. Therefore, we support this "learning compact" by promising to do the following:

As a student, I, _____ will:

- believe I am a reader
- be prepared for school each day with completed assignments and materials
- do my best work at school and home
- respect myself, my school, and other people

As a parent/guardian, I, _____ will:

- see that my child attends school regularly and on time
- see that my child is ready for the school day
- communicate with the school about my child's academic progress
- support school staff in maintaining appropriate behavior
- read to and with my child every day
- provide materials for my child to read at home
- set aside a specific time for homework and review it regularly

As a teacher, I, _____ will:

- provide high quality instruction in a supportive environment
- provide varied learning opportunities to enable students to achieve academic expectations
- communicate regularly with home about student progress
- hold expectations high for all students
- read to and with my students daily and provide a variety of reading materials
- make myself and my classroom accessible to parents/guardians

As a principal, I, _____ will:

- extend an open invitation for parents to visit or volunteer in our school
- provide a safe high-quality working environment for students and staff
- support positive communication between teacher, parent, and student
- provide professional growth opportunities for staff to ensure best practices
