

Lower School Summer Reading

Let's SEE what you READ this summer!
Create a READ poster & email it (or a photo of
it!) to Miss Angela abaccala@keyschool.org.

Create a poster using an app or good old fashioned paper. Show what books
you read this summer, where you did some reading, who you read with... the
possibilities are endless. If you like, you can use the hashtag #keyreads and
post your READ poster on social media! Posters will be displayed in the
Manse when we return.
