- Babysitters Club-Graphic Novel
- Bliss
- Dogman
- Harry Potter
- Joey Pigza
- Keeper of the Lost Cities
- Mr. Lemoncello's Library
- Percy Jackson
- Stories for Wayside School

Math:

- Please remove the answer section of the math workbook, sent home with your child, before letting your child begin their work. This section is included for your reference.
- Have your child complete 2-3 pages of the math Summer Solutions book per week.
- If your child is struggling with a question or concept, it's okay to skip that question or section and move on. We will review these workbooks and use this information to help guide our instruction at the beginning of fourth grade.
- The completed Summer Solutions workbooks will be due on the first day of school.
