Glen Oak Blast
May 18, 2022

Last Day of School is Thursday, May 26 and is a two **EARLY RELEASE** delay - standard dismissal procedures will start at 1:40pm

Field Day

Glen Oak Field Day is scheduled for Friday, May 20th. Mrs. Conard and the PTO have been working hard to ensure our students have fun stations to rotate through. Our 3rd, 4th and 5th grade students will rotate through the stations in the morning, and our K, 1st and 2nd grade students will rotate through in the afternoon. Don't forget to send your students with water bottles and a change of clothes and a towel as some of the stations include water! Also, if the weather is sunny, please apply sunscreen to them.

Clap out

UPCOMING EVENTS

Friday, May 20 -

Deadline to order [school supplies](#).

Friday, May 20 - Field Day (3-5 AM, K-2 PM)

Thursday, May 26 - Last Day of School - **2 Hour Early Release**

It is tradition on the last day of school, **Thursday, May 26**, to honor our 5th grade students by having them "parade through the halls", rocking out to music and K-4 students, staff and parents cheering them. Staff are encouraged to bring a noise maker and have their students line the halls for a start time of 1:30pm. Parents can arrive, park in the front, and enter the building to cheer on their fifth graders.

Medication Left in Clinic

If your child has medication left in the clinic, please pick it up PRIOR to the summer break. Medication that is left in the clinic will be disposed of June 1st. As a reminder, new medication forms are required every school year. A physician's written order is required for any prescription medication at school, whether it is administered in the clinic or self-administered by the student. Middle and high school students ONLY are permitted to carry and self-administer non-prescription medication with a signed parent consent form. A physician's form is required for non-prescription medication for [Olentangy website](#) under Parents, then Forms. Choose the correct form under Health Services Forms. If your child requires seizure care, diabetic care, an inhaler, and/or emergency treatment for an allergy, you may also access the forms online at the same location. School personnel are not permitted to give expired medication; therefore, be aware of the expiration dates of all medication. Please contact the school office or clinic staff if you have any questions.

Food Policy

Just a reminder for classroom year end events that we do not allow treats, snacks or any food items brought into the classroom. This follows in line with OLSD Board Policy 8510. Please contact Stephen Peters or Anne-Marie Rhodes if you have any questions about this policy.

News from Gym

Congratulations to Ms. Isabelle's and Ms. Johnson kindergarten classes for winning the last Golden Shoe
