## SCIENCE CAMP

### IN MOTION WITH ENGINEERING

**SHERI CAMPEAU**, ASSISTANT PROFESSOR OF ENGINEERING

Come learn and experiment with things that move! We will look at energy and forces as they relate to cars and bridges. You will even get to crash your own "car."

**July 11-15 9 a.m. - Noon ages 9-14 Cost: \$120**

### CHEMISTRY CAPERS

**DR. BETH KROA**, PH.D., ASSISTANT PROFESSOR OF CHEMISTRY

Goggles and grime, let's solve a crime! Have you ever wondered why fireworks display many colors when they ignite? Do you ask yourself why you have to sort the different kinds of plastics in recycling centers? Through hands-on learning, student teams will conduct experimental activities to understand the causes, effects, and variables involved in some of these questions, among others. These students will not only be having fun each day, but training to "fight crime." The fifth and final day, the students will solve a "Whodunit" scenario by incorporating the information and techniques they used during the week to put the Pilot Prankster in his or her place.

**July 18-22 9 a.m. - Noon ages 9-14 Cost: \$120**

## THEATRE CAMP

**DEB SWERMAN**, M.F.A., DIRECTOR OF ACTING AT BETHEL UNIVERSITY

**PATRICK SWEENEY**, MUSIC DIRECTOR AND SPANISH TEACHER AT EDISON LAKES MONTESSORI; MUSIC TEACHER AT ADAPTIVE ARTS

Do you enjoy the world of make-believe? Do you enjoy exploring different characters and personalities? Would you like to build your confidence and make new friends? Join us this summer in learning new games and exercises that help build on your own natural creativity. We will explore the world of improvisation as well as delve into short scenes and playlets. Let's bring out your inner actor!

**July 11-15 9 a.m. - Noon ages 9-14 Cost: \$120**

## MUSICAL THEATRE

**PATRICK SWEENEY**, MUSIC DIRECTOR AND SPANISH TEACHER AT EDISON LAKES MONTESSORI; MUSIC TEACHER AT ADAPTIVE ARTS

**KAREN PAJOR**, BETHEL DANCE INSTRUCTOR, CHOREOGRAPHER

Do you find yourself singing and dancing at every opportunity? Have you dreamed of making it to the stage? Make your summer dazzling by participating in Musical Theatre Camp. Vocal coaching and energizing choreography all come together in this week of Broadway fun! Students will experience a variety of music and dance styles, learn to perform with others and make new friends! A performance for family and friends will round out the week.

**July 18-22 9 a.m. - Noon ages 9-14 Cost: \$120**

## ART CAMP

### STUDIO ARTS

**ELAINE HOOLEY**, SENIOR GRAPHIC ARTS MAJOR

In this Art Class you will use your natural creative talent to explore different types of art; from drawing to painting and sculpting! You will practice important design techniques through games and group activities, get out into nature to gain inspiration and finish off the week with your very own project. Learn how to use your creative abilities to open doors to a world of imagination.

**July 11-15 9 a.m. - Noon ages 9-14 Cost: \$120**

### GRAPHIC DESIGN

**ELAINE HOOLEY**, SENIOR GRAPHIC ARTS MAJOR

Graphic Art is integral in creating movies, video games, cartoons, comic books and more! At this camp, students will practice photography and use Adobe Photoshop and Illustrator to create their own artwork!

**July 18-22 9 a.m. - Noon ages 9-14 Cost: \$120**
