- 9/03: NO SCHOOL
(Labor Day)
- 9/18: PTO fundraiser
ends
- 9/18: Fall Pictures

FROM THE DESK OF . . .
Matt Dillon, Principal

Dear Kyle Families:

Welcome to the 2018-19 school year! We are excited to partner with you and your family for the success of your child. We have many wonderful things planned this school year. Here are a few important reminders as we begin a new year.

Staying Connected

Kyle's classroom teachers welcome email communication and phone calls. Our teachers are often not available immediately as they are working with students, but every attempt is made to return contact within 24 hours. You can stay connected by liking the Kyle Elementary and Kyle Elementary PTO Facebook pages. You can also follow @KyleElementary on Twitter. One Call Now is used to update families of important events and activities. Additionally, many of our teachers use Class Dojo as a communication tool. Your child's teacher will share their preferred communication method.

Visitors to School

A reminder that all visitors to Kyle Elementary need to sign in at the office after buzzing into the building. This helps us maintain a safe school environment. We ask that families no longer escort students to their classrooms beyond the first day of school. Name tags are required for anyone who goes beyond the office. Families who pick students up during dismissal times must wait outside the building. We ask that families wait off of the porch area as students exit the building. Identification is required of anyone who picks a child up during the school day, and the individual must be listed as a contact on the child's emergency medical form. Our staff welcomes visitors but asks that you contact teachers ahead of time if an appointment is needed. Our first conference date of the year is set for Thursday, Oct. 4th at 3:45 p.m.

Student Attendance

The State of Ohio requires that schools track student attendance by the hour rather than number of days missed. State law requires us to send a letter when a student misses 38 or more hours in a month with or without an excuse. Schools are required to notify families when a student reaches 65 hours of absence in a school year with or without excuse.

Safety Patrol Information

Safety patrol is a wonderful leadership opportunity for our 4th and 5th grade students at Kyle Elementary. In consultation with AAA and our school resource officers, safety patrol students do not enter the street to cross students. AAA recommends that students stand on the sidewalk, near the intersection, and serve as crossing guards. Safety patrol students do not report when there is a 2 hour delay or the temperature/windchill is below 20 degrees. Contact Mrs. Davis or Ms. Weir if your child is interested in safety patrol.

School Fees

School fees will be issued to students in October. You are welcome to stop in the main office to make a payment towards your fees before the October date. Fee waivers, if applicable, are available in the office.

We hope that your family has a wonderful experience at Kyle Elementary this year!

To: Parents, Teachers and Staff
From: Tytus Jacobs, Maintenance Supervisor
Re: Annual Notification of Availability of Management Plan and Update of Activities

On October 22, 1986, President Reagan signed into law the Asbestos Hazard Emergency Act (AHERA, Public Law 99-519). The law required the EPA to develop regulations which provide a comprehensive framework for addressing asbestos problems in public elementary and secondary schools which includes inspecting for friable and non-friable asbestos in school buildings, developing management plans that address asbestos hazards in school building and implementing response actions in a timely fashion.

One of the requirements of this law is to annually notify parents, teachers, and staff of the availability and location of the school building's management plan. The management plan for Kyle Elementary is located in the principal's office. Management plans for all school buildings in the district are located in the Designated Person/Program Manager's Office. Also, please be advised that information regarding any inspections/re-inspections, response actions and post-response actions are also included in the management plan and is available for your review.

Tytus Jacobs is the Designated Person/Program Manager for our school district. Accordingly, should you have any questions regarding this management plan or wish to see this plan, please contact him at 332-6791. You may view the plan during normal business hours Monday through Friday by appointment.

The Troy Schools... in pursuit of excellence

Office of the Superintendent

August 2018

Dear Parents and Care Providers:

We are continuing our partnership between Troy City Schools and various universities in this area. Through this partnership, we host student teachers as they proceed through their programs of study. For this reason, there may be times when we photograph or videotape your child. Please notify the school office if you do not want your child photographed.

Sincerely,

A handwritten signature in cursive script, appearing to read "Chris Piper".

Chris Piper
Superintendent
