## Christmas Break 12/21—1/2/18

## FROM THE DESK OF . . . Matt Dillon, Principal

### Kyle Families:

A frequent question that I am asked is, "What can I do at home with my child to help with their academics?" Parents are often curious to learn what additional homework, flashcards and websites they can utilize with their children to promote academic growth. All students in grades 1 through 5 have access to online academic supports through MobyMax, a web-based curriculum program. These resources can be helpful, but the easiest way to help your children make progress is to read with them. Take time every day to read with your child. Research is clear about the benefits of reading with your child. This is the easiest and perhaps most effective way to help your child develop in all areas of their learning. A child who reads for 20 minutes per day will end up reading an estimated 1,800,000 words per year! Contact your child's teacher if you would like information about MobyMax.

### Kyle PTO Update

The next Kyle Elementary PTO meeting is scheduled for Thursday, December 7th, at 3:45 p.m. We encourage and welcome you to attend. Our Kyle PTO provides wonderful supports and student programs for our children. Contact the main office if you would like more information about helping out with PTO.

### Dismissal Procedures

We want to thank you for keeping the front porch clear during student dismissal. Our dismissal procedures ensure an orderly and safe exit for our students. We ask that families wait on the sidewalk as students exit the building. The best thing you can do is to tell your child to meet you in the same spot each day. Staff will supervise children until 3:40. Thanks for your help making sure our students are safe!

### Delay Reminder - No breakfast or safety patrol during 2-hour delays.

Students are not able to enter the building until 10:45 a.m. on 2-hour delays. There is no breakfast served to students on delay days and there is no safety patrol. The lunch menu will change for days that school is closed so that the closed day's meal becomes the meal that is served when school is resumed. There may be a few exceptions as our lunch is actually not prepared on-site.

The staff of Kyle wishes you and your family a wonderful holiday season!

# December 2017

## Troy Elementary Schools
