

Alameda Unified School District
Special Education Planning Team Meeting Notes
(key statements that summarize the meeting)

Meeting #1: March 30, 2017

1. The members got to know each other and shared priorities, aspirations, and motivations for this work.

2. The team reviewed the goal of the Planning Team. Our charge is to develop a Special Education Strategic Plan supported by the Board of Education.

3. The members began the conversation regarding visioning and reviewing district data, including where we are and the issues we are facing.

4. The members began analyzing data as it impacts various aspects of special education delivery and outcomes.

5. Through the data the team identified populations that aren't meeting core expectations.
