

**Alameda Unified School District**  
**Special Education Planning Team Summary Talking Points**  
(key statements that summarize the meeting)

**Meeting #2: April 27, 2017**

1. The members of the team reviewed information which will provide the foundation of understanding that will hopefully lead to a streamlined, efficient, standards-based and consistent Strategic Plan.
2. Team members reviewed additional district performance data and the district's 2015 Fiscal Crisis Management Assistance Team (FCMAT) report.
3. The members of the team began to review best practices in *California districts* and in *districts across the nation*, and they reviewed the State Special Education Task Force *Executive Summary*.
4. Team members began gathering baseline information on the district in order to make informed recommendations.
5. The problems that we see/feel in our guts are real and measurable and people are working on them.
