

**Alameda Unified School District
Session Nine: February 22, 2018**

- The team wrote and revised the goals, strategies and actions steps for Chapters 3, 4 and 5 of the Strategic Plan.
- The discussions were deep and there were arguments/disagreements on some topics.
- We agreed that this work is not easy.
- We probed some of the nuts and bolts issues that are at stake as we build the Strategic Plan.
- We ran out of time at this meeting; we agreed to refine Chapters 1 & 2 via Google Docs so members can provide comments regarding final chapter language.
