

Summer 2022

Dear Future First Graders,

We have a lot of exciting things planned for next year, but first we have summer vacation. We love summer vacation! 😊

Over the summer we would like you to relax and have fun! We hope that you will play outside, read, explore, and make memories as a family.

Attached you will find a "summer suggestions" list of activities. We hope that this list will give you some ideas to help you make those memories while practicing some important skills.

We are looking forward to seeing you in August!

Sincerely,

The First Grade Team

Mrs. Beaudoin, Mrs. Rue, & Mrs. Wimmer

First Grade Summer Suggestions

-  Read every day! Read in a variety of ways: independent reading, shared reading, and listen to a parent read.
-  Keep a journal. It can be about anything...a trip to the park, riding your bike, vacation fun.
-  Go on a nature walk.
-  Start a collection. Sort your collection. Write about it.
-  Exchange a few books with family members or friends to create a "sharing library."
-  Look for patterns around your house.
-  Reuse a cardboard box to make something new.
-  Bake cookies together. It is a wonderful way to practice reading and math.
-  Write a letter to your kindergarten teacher! She will love to hear from you.
-  Have a family game night and play board games and eat pizza!
-  Ride your bike.
-  Practice your handwriting with sidewalk chalk or a paint brush and water.
-  Create a puppet and put on a puppet show.
-  Listen to an audio book.
-  Make playdoh. Use it to make shapes or words.

We want you to have a wonderful summer full of PLAY and READING!

Mrs. Beaudoin, Mrs. Rue & Mrs. Wimmer
