

NOTES FROM LINCOLN MS SCIENCE DEPT.
GIVEN TO QKA @ MEETING #4 on 2,8,2017.

Modernization: Lincoln Science Labs
Priorities from LMS Science Dept. Teachers

modify the shelving in existing classrooms to hold FOSS boxes

Soapstone or high quality countertops

Quality materials

Higher quality lighting

1 large moveable demonstration counter at front for teacher
door opens against Shop class (swings towards Shop classroom)

gas only at front counter; sink at front counter

blinds for windows

lots of electrical outlets

instant hot / high capacity water

ice maker

ceiling mounted LCD projector or short throw projector

fridge

whiteboards:

-2 layers of vertically adjustable boards vertically

-or 2 walls of whiteboards

deeper cabinets to store at least 3 FOSS modules (estimate of 3-4 boxes per module)

locking cabinets in classroom

big screen

5-6 sinks
