

Bienvenido a Español 3

Dear Nazareth Academy Spanish 3 Student,

Welcome to continuing your journey in learning to communicate in Spanish. You have already dedicated 2 years to learning Spanish and have decided to continue to hone your skills by taking Spanish 3. The summer assignments for Spanish 3 are meant to review some key verb conjugations that you have learned plus creating your own study guides that will be useful in the coming year and going forward. I have also included a supplemental cultural assignment that also works on listening and reading skills. You can access the video for that at the following link: [Fiestas Patrias - YouTube](#)

Suggested order:

1. Listen to audio first
2. Read lesson transcript as you listen again
3. Answer the questions in the packet. as you refer to the audio or written transcript.

This will be due in the first week back at school

Have a great Summer and I am excited to meet you at the beginning of the school year.

Dr. Dorothy Burdziak
