

# Defining the "Six Critical Attributes" under the umbrella of "Personalized Learning"

## CLEAR, HIGH EXPECTATIONS

Students will be equipped with the knowledge, skills, and dispositions that result in college, career, and lifelong success  
(Assessment/Accountability TT)

## COMPETENCY-BASED LEARNING

Instruction is organized around learning progressions and credentialed based on evidence of mastery. Supports are provided that are responsive to individual needs.  
(Competency Based Framework TT)

## CUSTOMIZABLE PATHWAYS

Every learner has a data-driven learner profile and Personal Learning Plan through which they set goals, assess progress, and ensure they receive the supports they need.  
(Personalized Pathways TT)
