# Edison Elementary School - Master Planning Goals

## Critical Facility Needs (CFN)

Improvements to meet code requirements, student safety, building infrastructure systems and preservation of buildings from the deleterious impacts of the environment. CFN items are **not** prioritized

- Accessibility issues throughout to be brought up to current codes, including parking, exterior path of travel, drop-off, school entry signage, playground, Administration and other toilet rooms, walkways within the school, door thresholds and landings and way-finding signage
- Extensive cement plaster cracking and probable uneven building settlement
- Exterior finishes, doors and windows at end of service life
- Interior floor and wall finishes at end of service life
- Investigate roof and framing for potential dry rot
- Storm drain, storm and sewer ejection pump issues require servicing
- Boiler, mechanical and piping systems are near the end of their service life
- Aging, rusted fencing requires replacement
- Power and data infrastructure in need of upgrades
- No general lighting or emergency egress lighting at covered walkways
- Phone/clock/bell and PA system upgrades needed

## Educational Program Needs (EPN)

Improvements that impact student learning environments and support the District's Educational Program/ Education Specifications. EPN improvements impact more than just classrooms and can include libraries, multi-use buildings, student services and outdoor teaching areas. EPN items are prioritized below by committee.

1. Projection technology and Wi-Fi infrastructure to support mobile technology at all classrooms
2. Portable classroom replacement with a permanent two story building
3. Dedicated Art / Science classroom
4. Improve perimeter security with fencing and gates; consider security cameras
5. Dedicated music classroom, preferably adjacent to Multi-Purpose Room
6. Reconfigure Administrative office area to provide more efficient spaces and a secure entry point
7. Consider a dedicated drop-off / pickup drive along Buena Vista
8. Enlarged Multi-Purpose Room and Administration Building

## Future Facility Needs (FFN)

Future Facility Needs are improvements not covered above. FFN provides desired improvements that may include aesthetic considerations, optional upgrades or other non-critical but wanted work to each school. FFN items are prioritized below by committee.

1. Expanded or new Multi-Purpose Room and Administration Building to provide more efficient space, private conference rooms and a secure entry point to campus
2. Separate Kinder play area, fenced, adjacent to Kindergarten classrooms
3. Sun shading at lunch area, west side of interior courtyard
4. Consider a dedicated drop-off / pickup drive along Buena Vista
5. Additional toilet rooms for students, staff and public at Multi-Purpose Room
6. Physical Education classroom space
