## STUDENTS

Bridger Charter Academy Enrollment

**Bridger Charter Academy (BCA) is a District program; not a separate school. It is intended that the Bridger Charter Academy will be highly effective for students seeking:**

- **a competency/proficiency based pathway to graduation. A competency/proficiency based system is one that creates flexibility by allowing students to progress as they demonstrate proficiency with academic content and skills, regardless of time, place, or pace of learning.**
- **personalized instruction (via goals, pacing, and context);**
- **flexible scheduling (based on personal, vocational, curricular and extracurricular needs);**
- **learning opportunities outside the traditional classroom; and**
- **a small learning community, focused on academic, personal, and social growth.**

**While BCA has a limited enrollment capacity based on staffing, the program is open to all students in grades 9-12 who reside within the Bozeman High School District.**

TO: Board of Trustees, BSD7  
FR: Rob Watson  
RE: Resignation

Dear Trustees,

It is with a heavy heart that I announce my departure and resignation from the Bozeman School District, effective June 30, 2019.

As you know I was recently offered the Superintendent position in Missoula. At a meeting last evening, the MCPS Board approved a 3-year contract for me, which will take effect on July 1. I am honored to be selected for this new position and to continue my work in education.

Please know that the decision to apply for this new position was not an easy decision. I believed that this was the right time to explore other opportunities and continue to challenge myself as a professional. However, leaving Bozeman will be incredibly difficult.

The Board and the entire BSD7 education team have been extremely supportive in my various leadership roles over the past 10 years. I know that I wouldn't have been successful without the help of the talented administrative staff - both at the central office and the building level. In addition, our teaching and support staff is really second to none. Their dedication and professionalism is amazing. Their support has been a tremendous benefit to me as a leader.

We have taken some incredible steps over the past 7 years and I know that none of these accomplishments would have happened without the entire education team working together. Our success as a District was not a result of what I have done as a Superintendent, but rather, it was the result of many talented professionals working tirelessly each day to support our children. Even though I am leaving, I have comfort in knowing that the BSD7 staff will remain and continue their incredible work.

Finally, I wish to thank the Board. I appreciate the countless hours that you all give to our community. For those who have served in leadership roles on the Board (Bruce, Gary, Wendy, Sue, Andy, Heide and Sandy) - I can't thank you enough for all the extra time you gave to me over the years. As a Board, you approach each decision with careful discernment - always keeping kids at the center. I have particularly appreciated your patience and guidance as I navigated the ups and downs of this leadership journey. You don't realize how much your support has contributed to our success.

I wish you the best of luck in your search for a new Superintendent. I know you will find some excellent candidates and they will be lucky to serve in this role. I will continue to do whatever I can to provide support during this transition period.

Thanks again for all you have done for me.

Rob
