### **August 27, 2020**

#### **Opened at 4:03PM**

#### **CareHere update from Ernie Clevenger**

- Primus health care has purchased CareHere
  - Primus is the largest clinic manager in the USA
  - Contract rates do not change, neither does personnel
- Utilization: 65%--very good
  - 95% of folks would recommend
  - A couple glitches on the registration side, but have been smoothed over.
  - Overall, the utilization is great, especially considering the clinic opened in the midst of the shelter in place.

#### **COVID19 Update from Dr. Dallas**

- Dr. Dallas provided a thorough overview of the role of testing within managing the pandemic and the tools soon to be available to the Kalispell Clinic.

#### **Year end Performance review with Scott Haas**

- Medical up 2.4% PEPM, RX up 31.4%
- Big claims in June, after a very low May plan experience.
  - June saw some of the highest paid claims in a long time.
  - Some of that was normalizing from May/End of Quarantine
  - Large claims also doubled.
- Overall, plan year saw 101.63% of budget, a loss of 107k
  - An even break, from an underwriting standpoint

#### **July numbers**

- One large claim, very familiar
  - \$500,000 LASER
- Scott: "Anticipate moderate claim activity for next few months"
  - Does not anticipate large COVID experiences or real adverse claim impact

#### **KRH**

- KRH will interface with CareHere and CancerCare
- First contact in 2 months due to COVID, great conversation.  
Working on RX deal for chronic meds.

#### **CareHere and CancerCare**

- Both groups will approach district about preventative testing regiment for KPS

#### **Surcharge and finalizing rates**

- Gwyn is waiting on final enrollment.

Kris Hursh motions to adjourn. Cindy Jones seconds, motion passes.

#### **Next meeting TBD**
