Human Therapy on Horseback, Inc. (HTH) is a local, non-profit 501(c)(3) organization that was founded in 1997. Supported by donations and grants, HTH provides financial assistance to physically, mentally and emotionally challenged individuals. As we have funds to give, more and more riders are able to participate in therapeutic horseback riding. 96% of the money donated to HTH goes directly to qualifying riders and stays in the valley.
