

# Haight Elementary School - Master Planning Goals

## Critical Facility Needs (CFN)

Improvements to meet code requirements, student safety, building infrastructure systems and preservation of buildings from the deleterious impacts of the environment. CFN items are **not** prioritized

- Address existing accessible barrier issues on site and at building entries (door thresholds, site grading, etc.)
- Provide accessible lift to stage
- Building envelope issues (leaking windows, masonry walls leaking, repair roofing)
- Safety: Site lighting, improved perimeter fencing, including at garden and play structure
- Flooring in MPR is damaged and torn
- Interior finishes are at end of service life
- Fix unsafe playground grading, striping and drainage
- Improve lighting throughout site and within building
- Heating system is at end of service life

## Educational Program Needs (EPN)

Improvements that impact student learning environments and support the District's Educational Program/ Education Specifications. EPN improvements impact more than just classrooms and can include libraries, multi-use buildings, student services and outdoor teaching areas. EPN items are prioritized below by committee.

1. Additional classroom space required for anticipated growth
2. Reconfigured and expanded Admin with reception fronting on main entrance.
3. Reconfigure east wing to house all kindergarten rooms, with toilet rooms
4. Reconfigure second story toilet rooms for better access and supervision.
5. New drop off and parking drive way along the west property line.
6. Improve acoustics and safety in the stair wells.
7. Modernization of the (e) classrooms.
8. Reconfigure odd sized classrooms.
9. Robust infrastructure for technology.
10. Teachers work room upstairs

## Future Facility Needs (FFN)

Future Facility Needs are improvements not covered above. FFN provides desired improvements that may include aesthetic considerations, optional upgrades or other non-critical but wanted work to each school. FFN items are prioritized below by committee.

1. Shade canopies at play structures and play grounds.
2. New classroom building to replace portables.
3. New play structures.
4. New parent Courtyard/pick up area.
5. New running path around perimeter of ball field.
