

Lum Elementary School - Master Planning Goals

Critical Facility Needs (CFN)

Improvements to meet code requirements, student safety, building infrastructure systems and preservation of buildings from the deleterious impacts of the environment. CFN items are **not** prioritized

- Refer to Facility Assessment on the District website for more detailed Critical facility needs.
- New parking lots
- New perimeter fencing
- Improved site lighting
- Improved site drainage
- Restriped drop off
- New trash enclosures

Educational Program Needs (EPN)

Improvements that impact student learning environments and support the District's Educational Program/ Education Specifications. EPN improvements impact more than just classrooms and can include libraries, multi-use buildings, student services and outdoor teaching areas. EPN items are prioritized below by committee.

1. New Kindergarten building
2. Relocated Administration
3. Relocate MPR Stage
4. Relocated Library/Media Center
5. New class room buildings (including new toilet rooms).
6. Modernized break out spaces at building cores.
7. New playground space (due to expanded parking lot and new buildings)

Future Facility Needs (FFN)

Future Facility Needs are improvements not covered above. FFN provides desired improvements that may include aesthetic considerations, optional upgrades or other non-critical but wanted work to each school. FFN items are prioritized below by committee.

1. Additional toilet rooms adjacent to kitchen
2. New play structures
3. New bike racks
4. New parent pick up area
