

Ruby Bridges Elementary School - Master Planning Goals

Critical Facility Needs (CFN)

Improvements to meet code requirements, student safety, building infrastructure systems and preservation of buildings from the deleterious impacts of the environment. CFN items are not prioritized

- Refer to Facility Assessment on the District website for Detailed Critical facility needs.
- Repair roof leaks
- Repair or replace leaky windows
- Repair cracks in exterior plaster finish
- Improve Site and security lighting throughout site and parking areas
- Repair gates at perimeter fencing
- Necessary upgrades to site fire & irrigation systems
- Upgrade Phone/clock/bells PA and FA systems
- Make accessibility repairs to exterior flat work
- Upgrades: power and data distribution
- Repair drainage problems in playground.
- Repair functionality of MPR folding tables
- Install security cameras

Educational Program Needs (EPN)

Improvements that impact student learning environments and support the District's Educational Program/ Education Specifications. EPN improvements impact more than just classrooms and can include libraries, multi-use buildings, student services and outdoor teaching areas. EPN items are prioritized below by committee.

1. Provide shade structures at kindergarten playground
2. Relocate gate at kindergarten playground
3. Improve technology and wireless infrastructure
4. Provide adult toilet rooms to the multi use building
5. Provide interior access to student toilet rooms at the multi use building
6. Provide space for additional break out and resource rooms
7. Reconfigure teaching station in media lab for better student supervision
8. Provide improved presentation infrastructure in library – projector, screen, sound, etc.
9. Provide larger conference room in administration
10. Provide a flex office in administration for PTA, volunteer, etc.
11. Provide a new science lab Space

Future Facility Needs (FFN)

Future Facility Needs are improvements not covered above. FFN provides desired improvements that may include aesthetic considerations, optional upgrades or other non-critical but wanted work to each school. FFN items are prioritized below by committee.

1. Install an buzzer/intercom system at select gates
2. Provide a new Science lab
3. Add covered walkway to Media Center entrance
4. Install second play structure
5. Install improved rain protection at covered walks
6. Install an electric digital marquee
