

# Lincoln Middle School - Master Planning Goals

## Critical Facility Needs (CFN)

Improvements to meet code requirements, student safety, building infrastructure systems and preservation of buildings from the deleterious impacts of the environment. CFN items are **not** prioritized

- Accessibility issues throughout to be brought up to current codes
- Phone/clock/bell and PA system upgrades
- Fire and Life Safety improvements (structural, alarms, etc.)
- Provide emergency egress lighting
- Upgrade: power and data throughout
- Evaluate and upgrade HVAC systems to provide adequate heating and cooling
- Traffic safety is a major concern; Coordinate with the City to improve traffic flow
- Re-configure traffic flow within the parking lot to optimize traffic flow and safety
- Utilities improvements, including electrical service, data infrastructure, water, sewer and storm drainage
- Renew damaged and heaved paving and striping at walkways and play yard, including door swing and play court striping
- Provide safety door hardware throughout
- Membrane roofing at end of service life.
- Exterior windows, doors, and finishes near end of service life
- Interior finishes and acoustic tile at end of service life
- Classroom and Multi-Use flooring at end of service life
- Mechanical and Plumbing fixtures at end of service life

## Educational Program Needs (EPN)

Improvements that impact student learning environments and support the District's Educational Program/ Education Specifications. EPN improvements impact more than just classrooms and can include libraries, multi-use buildings, student services and outdoor teaching areas. EPN items are prioritized below by committee.

1. School entry / Office identity and campus directional signage
2. Projection technology at all classrooms
3. Switch location of large Computer Lab at shop wing with Science classroom (currently housed in standard-sized classroom)
4. Multi-Media/ Library remodel - locate media area to existing textbook storage
5. Improve lunch service layout and efficiency at Multi-Purpose Room; provide for onsite cooking
6. Upgrade exterior lighting

## Future Facility Needs (FFN)

Future Facility Needs are improvements not covered above. FFN provides desired improvements that may include aesthetic considerations, optional upgrades or other non-critical but wanted work to each school. FFN items are prioritized below by committee.

1. Music room expansion with improved acoustics
2. Construct a new classroom building , possibly as a 2-story addition on the south east side of campus, linked to existing 2-story buildings
3. Construct a new Gymnasium with Locker Rooms
4. Install a covered outdoor eating area to the east of the MPR
5. Provide a shade structure at the existing Amphitheater
6. Locate a screened garbage/ recycling enclosure at the west side of the MPR
7. With addition of dedicated Gymnasium, complete a Multi-Purpose Room remodel to accommodate dining and performance functions
8. Enlarge front office
9. Enlarge Staff Room and provide new kitchen
10. Restore/ replace exterior lockers
11. Provide additional parking for staff and visitors
