Service centers include Associate Centers that directly serve school districts in the areas of Child Find, Parent Services, Human Resource Development (HRD), and Technology. In addition, the FDLRS Network also includes Multi-disciplinary Centers who focus on in-depth evaluations and several statewide projects offering specialized services.

THE ESE REQUIREMENT:

GOALS FOR TODAY

1. To explain the **legislative requirement** for 20 ESE points

2. To learn to **read your transcript**

3. To learn to **read component codes**

4. To become **acquainted with options** available through FDLRS and other discretionary partners

5. To learn **who to contact** with questions
WHAT IS SECTION 1012.585 F.S.?

• Section 1012.585, Florida Statute (F.S.) refers to the section of the Florida legislative code that stipulates EVERY Florida educator desiring to renew a teaching credential must earn 20 in-service points in methods/strategies for teaching students with disabilities in EACH validity period.

• These points are part of the 120 total points required for certificate renewal every five years.

• Points may be earned in “pieces” or via one “whole.”

• One semester of college credit will = 20 in-service points.
FIRST THINGS FIRST: EXAMINE YOUR TRANSCRIPT

- Enter your district’s Professional Development system (TalentEd in Escambia, MyPD in Santa Rosa, Frontline in Okaloosa) and follow their procedures to print your professional development transcript.

- BE SURE to filter for your current certificate validity dates. Then click “Print a pdf.”

- When you have the printed version of your transcript, and have verified the validity period printed correctly, count ONLY those points earned in that time frame. It may be helpful to use a highlighter.

Total Points: 300.00
Now, examine the courses that fall within the validity period. Look at the third column from the right, “Component #.” It is this number that we will examine to determine if the points are ESE-eligible or not.
DETERMINING COURSE ELIGIBILITY

To examine the Professional Learning Catalog component number, look at the SECOND, THIRD and FOURTH digits of that number.

The training MAY meet ESE requirements if the 2nd, 3rd and 4th digits are:

100 or 101 or 102 or 105

Example:

2100045. This course may count.
BEWARE OF DISCLAIMER*

Non-Example:

7405239. This course will NOT count.
5101008: Safety-Care

PLEASE NOTE:
- 103 and 104 NEVER count for s. 1012.585, F.S.
- nor do Gifted and ASL courses, regardless of code
- *DISCLAIMER: Anything advertised under the RIGHT code, but noted as NOT counting, WILL NOT COUNT.
• **FIRST**, see if the course was taken **IN the VALIDITY period**.
• **SECOND**, examine the component number for s. 1012.585, F.S. eligibility.
• **THIRD**, add the eligible points.

INDEPENDENT STUDY PDA ONLINE COURSES are offered 24/7. Participants may self-register at [https://fl-pda.org/#/sign-in](https://fl-pda.org/#/sign-in) by clicking "Register" at the lower left of the sign in box. Course completers are reported to district Professional Learning Department offices monthly, within two weeks after the month of course completion.

[www.fdlsemeraldcoast.org](http://www.fdlsemeraldcoast.org)
HOW DO I KNOW WHAT WILL COUNT?

Participants are encouraged to verify with their school districts PRIOR to attempting any coursework to ensure that:

• points are available for the desired course, and that
• these points are “ESE-eligible.”
• The determination of “ESE-eligible” is a district determination.

www.fl-pda.org
HOW ARE POINTS REPORTED FOR ON-DEMAND? (INDEPENDENT COURSES)

• Within two weeks following the month of completion, an in-service record of completers is mined and sent to Professional Learning in each district.

• Professional Learning posts points within two weeks following receipt of that report.

Example:

• FDLRS mines and sends completer data for the month of September by October 14.
• Professional Learning posts points by October 28.
HOW ARE POINTS REPORTED FOR OTHER FDLRS COURSES?

Within two weeks following satisfactory receipt of required in-service follow-up activities:

- **ESCAMBIA**: An in-service record of completers is entered by FDLRS staff.

- **OKALOOSA** and **SANTA ROSA**: Completer reports are sent to Professional Learning. Professional Learning then posts the points, usually within one week.
