The undersigned parent and student understand that the chaperones are not responsible for the undersigned student's well-being during times that the student may be absent from the group during independent travel or travel the undersigned student may elect to do with relatives, friends, or other group members outside the travel plans of the trip, or at any other time that the student may be on his or her own. It is the student's responsibility to stay with the group and to keep the chaperones advised at any time the student leaves the group. It is also the student's responsibility to inform the school official/chaperone when they feel ill or if something unpleasant happens.

7. Needed Accommodations

If the student is disabled or requires any special accommodations, please describe. This would include medical issues such as asthma, seizures, and allergies. It is the parent and student's responsibility to make sure adequate supplies and appropriate medications are with the student on the trip.
