On **June 12** for competition team students and **August 7** for non-competition team students or upon registration if after these dates, 20% of program and instructional fees will be automatically withdrawn from the student's UltraCamp account and the balance of the fees will be deducted on the first of each month for six months (**September 1** through **February 1**).
2. Select specific classes for your student on the CHCA Dance Academy Studio Director website. (Link available from UltraCamp confirmation screen or email.)
