

Cleveland ISD Star Students

Douglass Learning Academy

Week Ending May 20, 2022

Last week of Star Students for the 2021-22 school year

- **Ashly Rivas Nunez!** (11th grade) Ashly just recently became a student at DLA. In the short period of time that she has been enrolled, she has made great advances in her classes. She works very hard at all times and will do well in all her remaining courses. Congratulations! on being a STAR student. ~C. Millard
- **Anjel Muniz!** (11th grade) Anjel Muniz is a student in my welding class at Douglas Learning Academy. He is doing a great job of learning the skill of welding. Anjel is a good student and is willing to do what it takes to become a great welder. He plans to graduate from Douglass Learning Academy and pursue welding as a career. ~T. Jones
